Nissan Z

Refining perfection. Explore the latest enhancements across the Z lineup.

YOU ASKED – WE LISTENED.
Z NISMO – NOW AVAILABLE IN MANUAL TRANSMISSION.

NISMO engineering with the raw, mechanical connection only a stick shift can provide. This isn't just a car, it's a call to the open road.

* Up to 10 year warranty when servicing at authorised Nissan dealers. Full terms at Nissan.com.au/warranty.
Unryu Green with Super Black Roof Coupe# & Slate Grey with Super Black Roof Nismo# shown throughout.

A tribute to Z history.

A revised grille inspired by the S30.

Perhaps the most noticeable difference is Z Coupe's new face, which has been redesigned to include a split grille. The look is a reference to the original 240Z, also known as the S30. To accomplish this, designers worked on the shape of grille, while engineers carefully adjusted the front parking sensor packaging.

Additionally, a Z emblem replaces a Nissan emblem, which also aligns its design to the S30, S130, Z31 and Z32 generations.

New 19-inch wheels inspired by the 300ZX.

Z Coupe drivers will be treated to new 19-inch RAYS® alloy wheels inspired by the 300ZX (also known as Z31).

The ten-spoke design is arranged in a star-like layout, evoking the rim design of the Z31's machined wheels available in the mid-1980s.

A new paint colour referencing the first-generation Z.

The new Z debuts Unryu Green with Super Black Roof#, an all-new colour. It features a rich green reminiscent of Grand Prix Green, which was offered on the S30.

Unryu Green with Super Black Roof# is available on the Coupe grade only.

New tan interior option.

The Z Coupe grade is available with a new tan interior option , another reference to the S30 generation, which featured a similar colour palette.

When paired with a Unryu Green with Super Black Roof# exterior, the green-and-tan look is a classic sports car combination.

Premium and two tone paint available at extra cost.

It holds you like never before.

A great dance partner knows how to hold you perfectly. Tight enough for control, but with room to move, too. The Nissan Z does even more than that — it holds your imagination. Advanced technology serves up everything you need to know, combined with iconic design that never forgets what a true sports car must be.

Nissan GT-R®-inspired steering wheel

4-way power-adjust driver seat with manual lifter, thigh & lumbar support

Leather-accented^ seat trim with suede door trim finisher

Driver's seat cutouts for more precise steering and shifting

Padded knee bolsters

^ Leather accented features and upholstery may contain synthetic material.

Tech that performs like a sports car.

Knowledge is power. The more, the better. The Nissan Z keeps you informed quickly, brilliantly, and stunningly. Perfect for whatever your drive requires.

298 kW, twin-turbo V6 engine.

At the heart of the Nissan Z is this 3L V6 twin-turbocharged 24-valve engine. An aluminum-alloy block and heads keep things light, while a water-cooled intercooler helps reduce the temperature of incoming air. Tech brings impressive power of 298 kW and 475 Nm over a broad torque band between 1,600-5,600 rpm.

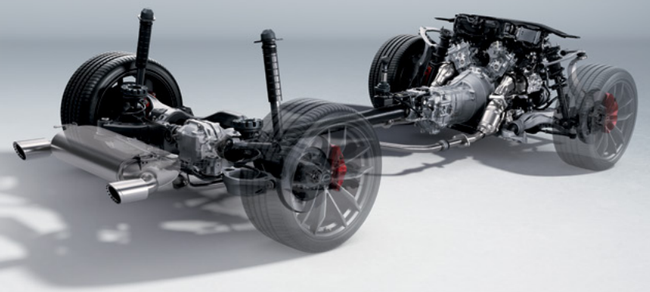
6-speed manual and 9-speed automatic transmissions.

An upgraded 6-speed manual transmission with SynchroRev Match® means pure driving thrills. An available 9-speed automatic with shift-by-wire controls brings cutting-edge technology and response. The hardest part? Choosing only one.

Shift by Wire Automatic Transmission

A chassis built to respond.

The new Nissan Z is designed to handle your favourite roads with new monotube shock absorbers and suspension tuning for enhanced response. Strong and lightweight aluminum and carbon-fiber composite components, plus massive 19" forged alloy wheels by RAYS® with new performance tyres will give a G-induced smile in every turn.



Launch control and mechanical limited-slip differential.

A first for the Nissan Z — the launch control available in both manual and automatic transmission, helps reduce wheel spin and hop, by holding the engine at a pre-set rpm and modulating power as you pull away, to give you the fastest, most consistent acceleration every time. Combined with the Nissan Z's mechanical limited-slip differential, it lets you enjoy every last rpm that the powerhouse serves up.

2-piece GT-R front brake rotors for NISMO Models.

Unleash next-level performance with the NISMO range, featuring a 2-piece GT-R front brake rotor package that slashes an impressive 9kg of unsprung weight for razor-sharp handling and powerful, confident braking. Finished with striking re-coloured brake calipers, this upgrade doesn't just perform—it elevates the already bold and aggressive NISMO styling to a whole new level.

Coupé

12.3" TFT Advanced Drive-Assist Display instrument cluster

^ Whichever occurs first, when servicing at authorised Nissan dealers. Where vehicle is not serviced through Nissan or ceases to be serviced at Nissan, additional years will not be added so 10 year/300,000km warranty (whichever occurs first) may not apply. Warranty protection will remain 5 year/unlimited km warranty, plus any additional service activated years previously added. Conditions apply. Full terms at Nissan.com.au/warranty.
NOTE: Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if goods fail to be of acceptable quality and the failure does not amount to a major failure.
† When servicing at authorised Nissan dealers. Where vehicle is not serviced through Nissan or ceases to be serviced at Nissan, additional years will not be added, so 10 year/300,000km roadside assist (whichever occurs first) may not apply. Roadside assist duration will remain as 1 year/unlimited kilometre roadside assist, plus any service activated years previously added. Conditions apply. Full terms at Nissan.com.au/roadsideassistance.
* Ask your Nissan Dealer to explain exactly what items are covered in each Scheduled Service. Applies for the first 5 services or 5 years, whichever occurs first. Some exclusions apply. Ask your Nissan Dealer or view full terms at Nissan.com.au/service.
