# WHERE WILL YOU GO?

COVER IMAGE/ABOVE: Not all features shown in this publication may be available in Australia and/or are available at an additional cost. For the full details, please contact an authorised Jeep dealer. All disclaimers and disclosures can also be found on the inside back cover.

# ARRIVE INSPIRED

Here, the standard of premium is raised to welcome heights. Legendary freedom begins with authentic Jeep® Brand design cues, like the fresh take on the traditional seven-slot grille and trapezoidal wheel arches. Then, the fluid, stylish lines of Compass Limited are enhanced by an available* black painted roof and chrome accents. This urban citizen faces challenging road conditions with confidence via an available* Jeep® Active Drive 4x4 systems and its Selec-Terrain® Traction Management system.

Inside, experience a cabin that elevates every trip with available* premium leather-trimmed seats with accent stitching. Advanced technology features include an available* Uconnect® 4 with 8.4-inch touchscreen display and GPS Navigation, an available* 7-inch colour Driver Information Display and an available* 9-speaker sound system. In addition, a multitude of available* safety and security systems offer inspired peace of mind.

Not all features shown in this publication may be available in Australia and/or are available at an additional cost. For the full details, please contact an authorised Jeep dealer.

uconnect® interface is for illustrative purposes only and may not reflect exact software for your vehicle.

# NATURAL SELECTION

## SELEC-TERRAIN® TRACTION MANAGEMENT SYSTEM

When you can match your capability to the road conditions ahead, worry-free travels are the norm. Every all-new Compass equipped with an available* 4x4 system arrives with a Jeep® Selec-Terrain® Traction Management system, giving you the power to tackle Mother Nature's toughest conditions. A variety of settings help deliver ultimate driving stability by coordinating up to 12 vehicle systems. Choose from up to five sure-footed modes: Auto, Snow, Sand, Mud and, available* exclusively on Trailhawk,® Rock.

Not all features shown in this publication may be available in Australia and/or are available at an additional cost. For the full details, please contact an authorised Jeep dealer.

**AUTO** When set to this mode, Selec-Terrain does all the work, automatically adjusting vehicle dynamics to best suit the road. To help ensure optimal efficiency, the rear driveline disengages when not needed.

**SNOW** Adjusts for ultimate performance over snow- and ice-covered roads by maximising vehicle stability and minimising oversteer. Major systems auto-engaged and managed in this mode include antilock brakes and traction control.

**SAND** Converts to a uniquely calibrated Sand mode that utilises aggressive throttle and upshift points to tackle looser, sand-covered surfaces.

**MUD** Maximises low-speed traction by allowing additional wheel-slip via specifically tuned chassis controls, differentials and transmission ratios that are geared to successfully tackle mud.

**ROCK** Delivers Trail Rated® 4WD Low capability thanks to its rear-differential locking element, allowing you to crawl over rugged terrain at appropriately safe speeds. Available* on Trailhawk.®

# EXCEPTIONAL IN EVERY WAY

**STUNNING FINISHES** Sophisticated interior details define your driving experience. Available* LED ambient lighting adds an inviting aura inside the cabin. Clean, sculpted forms and available* elegant piano black and anodised Silver bezels with Chrome knobs, as shown, add upscale distinction.

**COMFORT-LADEN** These seats cradle with generous padding and offer available* driver-side memory settings. They also add available* power adjustments for the driver and passenger, as well as available* heating for first-row passengers. Above, fresh air and sunlight flow in with an available* Power Dual-Pane Panoramic Sunroof.

**TECH SMART** Limited's highlights include a standard 7-inch full-colour Driver Information Display and 4th-generation Uconnect® 4 NAV with 8.4-inch display. Every Compass arrives with a media hub including a 12v outlet, auxiliary input jack and USB port.

**SAFETY AND SECURITY** Over 70 available* features offer steadfast assurance, including, LaneSense® Lane Departure Warning with Lane Keep Assist[2], Full-Speed Forward Collision Warning with Active Braking[3] and Adaptive Cruise Control[4] with Stop & Go.

**DRIVING CONVENIENCE** Available* Keyless Enter 'n Go™ lets drivers get in and head out quickly. Steering-wheel buttons control a list of driving and entertainment functions, while an available* auto-dimming rearview mirror cuts down on nighttime glare.

**UTILITY FLOWS** A configurable, versatile interior offers seating for up to five adults. It can be arranged to carry plenty of cargo when the available* 40/20/40 split rear seats fold down, and when the available* front-passenger seat is folded forward. A rear-seat centre armrest folds down to reveal two handy cup holders.

Uconnect[1] interface is for illustrative purposes only and may not reflect exact software for your vehicle.
Not all features shown in this publication may be available in Australia and/or are available at an additional cost.
For the full details, please contact an authorised Jeep dealer.

# NURTURE YOUR TRUE NATURE

THERE'S NOTHING BETTER TO USHER YOU TO YOUR NEXT ADVENTURE, THANKS TO THE AVAILABLE* 4x4 CAPABILITY BUILT INTO THE ALL-NEW JEEP® COMPASS. WHEN YOU NEED TO KEEP GOING NO MATTER WHAT, TWO AVAILABLE*, AUTHENTIC JEEP BRAND 4x4 SYSTEMS STAND READY TO SERVE. WITH THE HELP OF A DISCONNECTING REAR AXLE, EACH SYSTEM CAN ACTIVELY TRANSITION FROM 4x4 INTO FUEL-SAVING FRONT-WHEEL DRIVE (FWD). TO ENJOY THIS WELCOMED GAIN IN EFFICIENCY, SIMPLY KEEP THE SYSTEM'S STANDARD SELEC-TERRAIN® DIAL IN AUTO MODE. COMPASS WILL THEN SEAMLESSLY MATCH ITS JEEP BRAND ENGINEERED CAPABILITY TO ANY ROAD CONDITION IT ENCOUNTERS. WHEN YOU TURN THE DIAL TO ANOTHER MODE, 4x4 CAPABILITY IS ALWAYS ENGAGED AND ABLE TO SEND 100% OF AVAILABLE* TORQUE TO ANY ONE WHEEL.

NOT ALL FEATURES SHOWN IN THIS PUBLICATION MAY BE AVAILABLE IN AUSTRALIA AND/OR ARE AVAILABLE AT AN ADDITIONAL COST. FOR THE FULL DETAILS, PLEASE CONTACT AN AUTHORISED JEEP DEALER.

## JEEP® ACTIVE DRIVE

AN AVAILABLE* FULLY AUTOMATIC, SINGLE-SPEED POWER TRANSFER UNIT (PTU) DELIVERS SEAMLESS OPERATION IN AND OUT OF 4WD AT ANY SPEED. YAW CORRECTION IS AUTOMATIC AS WELL, HELPING TO KEEP JEEP® COMPASS STABLE AT ALL TIMES. JEEP ACTIVE DRIVE ALSO INCLUDES BRAKE TRACTION CONTROL THAT WORKS TO MAINTAIN A BALANCED TORQUE DISTRIBUTION, HELPING THIS SYSTEM DELIVER AN EASY-TO-USE ALL-WEATHER BOOST IN CAPABILITY.

## JEEP ACTIVE DRIVE LOW

AVAILABLE* EXCLUSIVELY ON COMPASS TRAILHAWK® A SINGLE-SPEED PTU OFFERS TORQUE MANAGEMENT AND 4WD LOW MODE. THIS LOCKS THE FRONT AND REAR DRIVESHAFTS TO DELIVER ADDITIONAL POWER AT LOW SPEEDS OR FOR TOWING YOUR TOYS. ADDITIONALLY, OFF-ROADING BENEFITS FROM AN INCREASE IN RIDE HEIGHT AND AN INCREDIBLE CRAWL RATIO OF 20:1, ALLOWING COMPASS TO TACKLE VARIOUS TERRAINS.

UCONNECT[1] INTERFACE IS FOR ILLUSTRATIVE PURPOSES ONLY AND MAY NOT REFLECT EXACT SOFTWARE FOR YOUR VEHICLE.

MARK OF DISTINCTION: DURABILITY AND TOUGHNESS WERE BORN AND BRED UNDER THE JEEP® BRAND'S TRAIL RATED® BADGE. EVERY JEEP VEHICLE BEARING THIS EMBLEM OF HONOUR HAS BEEN ENGINEERED AND TESTED TO MASTERFULLY OPERATE IN FIVE PERFORMANCE CATEGORIES: TRACTION, GROUND CLEARANCE, MANOEUVRABILITY, ARTICULATION AND WATER FORDING.[2] COMPASS TRAILHAWK® RESIDES PROUDLY WITHIN THIS CAPABLE FAMILY.

# MASTERFUL TRAVELS

WHERE WOULD YOU GO IF YOU COULD GO ANYWHERE? BEHIND THE WHEEL OF A TRAILHAWK,® THERE ARE NO LIMITATIONS BECAUSE LEGENDARY JEEP® BRAND CAPABILITY IS AT ITS VERY CORE. THE STANDARD 4X4 SYSTEM, JEEP ACTIVE DRIVE LOW, HAS A 20:1 CRAWL RATIO AND THE ABILITY TO SEAMLESSLY TRANSFER POWER TO ANY WHEEL WITH TRACTION. TRAILHAWK IS ALSO EQUIPPED WITH SKID PLATE PROTECTION, A RAISED RIDE HEIGHT AND SIGNATURE RUBY RED TOW HOOKS FRONT AND REAR. DESIGNED TO STAND APART, TRAILHAWK FEATURES A UNIQUE FRONT AND REAR FASCIA, DARK GREY ACCENTS, STANDARD BLACK-PAINTED ROOF AND A STANDARD BLACK ANTI-GLARE HOOD DECAL. RED TRAILHAWK AND TRAIL RATED® BADGES SIGNIFY MEMBERSHIP IN THE OVER-ARCHING JEEP BRAND FAMILY OF EXQUISITELY CAPABLE AND UTTERLY UNIQUE 4X4 VEHICLES, A BREED UNLIKE ANY OTHER ON THE PLANET.

NOT ALL FEATURES SHOWN IN THIS PUBLICATION MAY BE AVAILABLE IN AUSTRALIA AND/OR ARE AVAILABLE AT AN ADDITIONAL COST. FOR THE FULL DETAILS, PLEASE CONTACT AN AUTHORISED JEEP DEALER.

# ELEVATED VIEW

The available* Power Dual-Pane Panoramic Sunroof with its power sunshade is more than an amazing way of looking at the world, it can take you to a new world altogether. Passengers in all rows get a stellar view of every adventure, anywhere you go.

Not all features shown in this publication may be available in Australia and/or are available at an additional cost. For the full details, please contact an authorised Jeep dealer.

**PREMIUM INSTRUMENT PANEL** Elegant and inviting in contrasting Piano Black, this cockpit is crafted to present important vehicle operations and data within a very appealing design. Anodised Silver and Chrome add unique richness. Available*.

**DUAL-ZONE AUTOMATIC TEMPERATURE CONTROL** Constantly adjusts air temperature inside the cabin to create separate customised environments for the driver and the front passenger. Available*.

**KEYLESS ENTER 'N GO™** No more fumbling for keys to get going. Keep the key fob in your purse or pocket and you can simply grab the door handle, climb in, press on the brake, press the start button and shift into Drive. Available*.

**9-SPEAKER PREMIUM SOUND SYSTEM** This premium sound system maximises every square meter of acoustics with studio-quality sound from nine speakers, including a 203.2-mm subwoofer. The eight-channel performance sound system pumps out 506 watts of power. Available*.

Not all features shown in this publication may be available in Australia and/or are available at an additional cost. For the full details, please contact an authorised Jeep dealer.

**ENGINE OPTIONS** Two available* engines will satisfy your quest for power and efficiency, no matter where it stands. The quiet and refined 2.4 Tigershark® I-4 engine burns clean, improves fuel efficiency and reduces emissions. The powerful 2.0 Turbo Diesel engine puts you in charge, mated to the 9-speed automatic transmission. The diesel engine makes efficiency and low emissions priorities, utilizing a clean-burning common rail fuel system with a diesel particulate filter.

**A PRECISION-TUNED RIDE** Compass delivers a refined dynamic ride with Premium mechanics which add to precise steering, while MacPherson struts and frequency-sensitive dampening smooth the road ahead.

**ENGINE STOP/START (ESS) TECHNOLOGY** Helps reduce $CO_2$ emissions and improve efficiency by using sophisticated controls to reduce fuel flow and turn off the engine when the vehicle brakes to a stop. When the brake pedal is released, the engine seamlessly restarts and the transmission engages. Available*.

**SIX-SPEED MANUAL TRANSMISSION** With its quick acceleration due to high maximum torque values, plus smooth, precise shifting, this transmission offers a fun-to-drive factor that's paired with welcome economies. Its transverse three-shaft design is compact, delivering a welcome reduction in cabin noise, especially at highway speeds. Allows for flat towing in Neutral. Available*.

**SIX-SPEED AUTOMATIC TRANSMISSION WITH AUTOSTICK** This compact, lightweight transmission offers a high-precision clutch that's smooth and responsive. This highly efficient performer helps realise economies thanks to its next-generation electronics. Available*.

**NINE-SPEED AUTOMATIC TRANSMISSION WITH AUTOSTICK** Its fine-tuned 9.81 ratio spread between gears ensures quick takeoffs and a consistently refined performance with exceptional efficiencies through all gears at all speeds. A unique set of four overdrive ratios help gain efficiencies while reducing overall noise and vibration. Economies are maximised and performance is optimal at all times. Available*.

# MAKE ROOM IN YOUR WORLD

Life can go in all kinds of directions. The configurable interior of Compass is designed to give you options to take what you need and make the most of your travels. Fold down the 60/40 or available* 40/20/40 split-folding rear seats to reveal a generous amount of cargo space.

Not all features shown in this publication may be available in Australia and/or are available at an additional cost. For the full details, please contact an authorised Jeep dealer.

**POWER LIFTGATE** No need to drop what you're holding to open the liftgate. Access the rear cargo area by pressing a button on your key fob and the liftgate will open automatically. Available*.

**FOLD-FORWARD FRONT-PASSENGER SEAT WITH STORAGE** Keep smaller-sized valuables safely undetected. Flip up the passenger seat cushion to reveal this secret compartment. Enhance your cargo-carrying capability to include longer items by flipping forward the passenger seat so it lays nearly flat. Available*.

**60/40 OR AVAILABLE* 40/20/40 SPLIT-FOLDING REAR SEATS** Configure your interior to fit your needs – rearrange by flipping either section of the 60/40 split or flip the available* 40/20/40 section down and leave the remaining 40 section up for passenger use.

**GLOVE BOX AND CENTRE CONSOLE** Keep items hidden and safe. The deep centre console offers plenty of room for items like sunglasses or small tablets, a small tray in front of the shifter conveniently holds phones or MP3 players, and a side net pocket for those easy-to-reach extras, while the glove box is large enough to keep your things accessible and secure.

Ensure that all cargo is properly secured in storage spaces.

# FIND YOUR WAY

**SEE AND BE SEEN** available* Bi-xenon High Intensity Discharge headlamps with LED signature lamp and distinctive daytime running lamps cut through the darkness and haze, as well as add a level of sophistication. available* Auto High-Beam Headlamp Control adjusts intensity based on ambient and oncoming-traffic light. Activate the available* cornering front fog lamps by turning the steering wheel or engaging the turn signal, sending more light toward the direction you're heading. An Auto-leveling headlamp system helps keep your lights aimed at the road ahead when traveling over uneven surfaces.

Not all features shown in this publication may be available in Australia and/or are available at an additional cost. For the full details, please contact an authorised Jeep dealer.

**DRIVER INFORMATION DISPLAY (DID)**

Fingertip controls on your steering wheel can instantly scroll you through a selection of vehicle data displayed within your instrument panel on an available* 7-inch full-colour screen. Information includes navigation, capability data, performance statistics, vehicle dynamics, alerts and more.

Uconnect' interface is for illustrative purposes only and may not reflect exact software for your vehicle.

# SMART CONNECTIONS

Not all features shown in this publication may be available in Australia and/or are available at an additional cost. For the full details, please contact an authorised Jeep dealer.

uconnect®

UCONNECT® BRINGS A WIDE RANGE OF COMMUNICATION AND ENTERTAINMENT SERVICES STRAIGHT INTO YOUR VEHICLE, ALL BUNDLED TOGETHER WITHIN A ROBUST SYSTEM, WITH SO MANY CONVENIENT OPTIONS TO CHOOSE FROM, YOU'LL ENJOY DISCOVERING YOUR BEST CONNECTION.

## A NEW UCONNECT® GENERATION

Uconnect technology takes a leap forward with faster start-up and high-definition resolution, adding speed and vibrancy to your experience. The new touchscreen responsiveness is immediate and concise. Available*.

**PHONE/TEXT** Make hands-free[1] phone calls. Available* Apple CarPlay[11] and Android Auto[12] cast your phone's familiar interface onto your Uconnect† touchscreen, for a seamless and convenient mobile experience. Pair up to eight Bluetooth®-enabled phones.

**INTEGRATED VOICE COMMAND**[1] Keep your eyes on the road and hands on the wheel. Use your voice to make a call.

**ENTERTAINMENT** Get the sound via available* features like remote USB port, audio jack and Bluetooth Streaming Audio.

**NAVIGATION** Dinner reservations at the new place in town? Uconnect employs available* GPS navigation for audible turn-by-turn directions, and detailed maps help to assure you arrive on time. The NAV is integrated into the available* 7-inch Driver Information Display so you can see directions front and centre.

**DRAG AND DROP MENU** Highlight your top six favourite features so they're always in sight on your available* 8.4-inch Uconnect touchscreen display.

No matter your destination, Longitude ushers you in comfort and style. Distinct Chrome window moulding, front fog lamps, body-colour door handles, power-folding and power-adjusting heated mirrors with turn signals, and Black roof rails add functionality. Welcome features include leather-wrapped steering wheel with audio and cruise controls. Ambient LED interior lighting and the 4th-generation Uconnect® 5-inch colour touchscreen radio add elegant practicality. With all of its premium options, Longitude has arrived to take you in very beautiful directions.

Not all features shown in this publication may be available in Australia and/or are available at an additional cost. For the full details, please contact an authorised Jeep dealer.

**HEATED FRONT SEATS** These available* warmed front seats will warm your heart. Driver and front passenger have two selectable settings that provide just the right amount of heat where it really counts.

**ALL-SEASON FLOOR MATS** Keep mud, rain and snow at bay with available* rubberized mats that help protect the carpet.

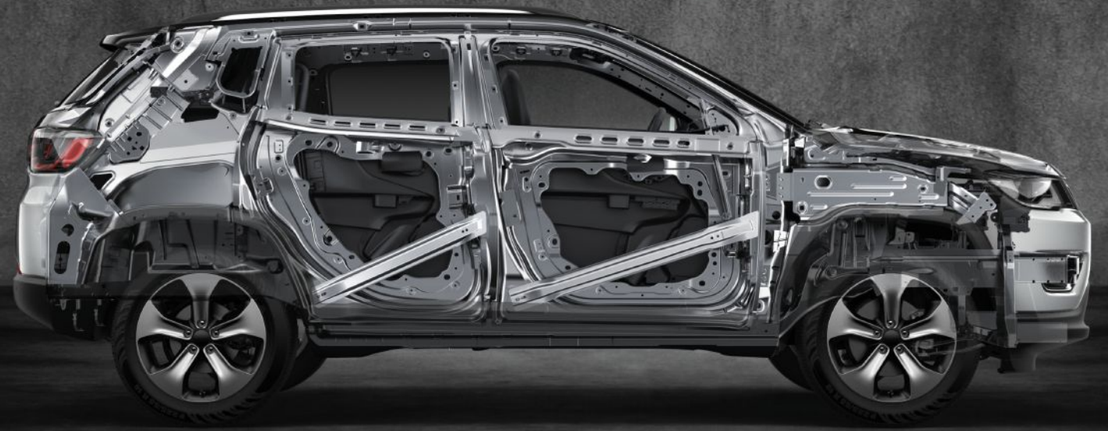
# PRE-WARMED AND PREPARED*

Not all features shown in this publication may be available in Australia and/or are available at an additional cost. For the full details, please contact an authorised Jeep dealer.

# SECURE ADVANTAGES FOR WISE TRAVELLERS

Not all features shown in this publication may be available in Australia and/or are available at an additional cost. For the full details, please contact an authorised Jeep dealer.

The all-new Jeep® Compass incorporates over 70 available* safety and security features. These active and passive systems give you an exceptional tool kit of confidence. Travel with welcome peace of mind knowing your Compass is equipped to notify you or take action on your behalf should the need arise.



**CHASSIS STRENGTH** Compass delivers exceptional peace of mind with a hero's heart — a strong unibody structure is engineered with approximately 70% hot-stamped steel.

**ANTILOCK BRAKE SYSTEM** Next-Generation engineering allows this advanced system to continually evaluate road conditions for optimal engagement and stopping distances. This robust system includes Rain Brake Support, Advanced Brake Assist, Hill Start Assist and all-speed traction control, all working together to help maintain vehicle control during emergency braking. An Electric Parking Brake (EPB) adds an additional measure of safety with its customisable Auto Apply feature. Set Compass to automatically apply EPB when in Park or in the "key off" position. When you turn on the vehicle and drive, EPB conveniently and automatically releases.

# 360 DEGREES OF PROTECTION

Compass knows the way to help you and your passengers arrive safely and securely. Its ability to remain on the alert is due to an array of available,* sophisticated sensors and cameras. These advanced systems constantly earn your trust as they continually monitor your perimeter and the real-time status of many vehicle operations.

7 2 front, 2 side seat, 2 side curtain and a driver knee airbag all work together to help surround you with confidence.

Full-speed forward collision warning with active braking[1] Available* Sensors detect when Compass may be approaching another vehicle too rapidly and send an audible and visual alert to the driver along with providing a brake jerk warning from Advanced Brake Assist if the driver does not react in time.

LaneSense® lane departure warning (LDW) with lane keep assist[2] Available* LDW Provides a visual and haptic or steering wheel-movement warning should the vehicle drift outside of lane boundaries or if the driver's hands are off the wheel.

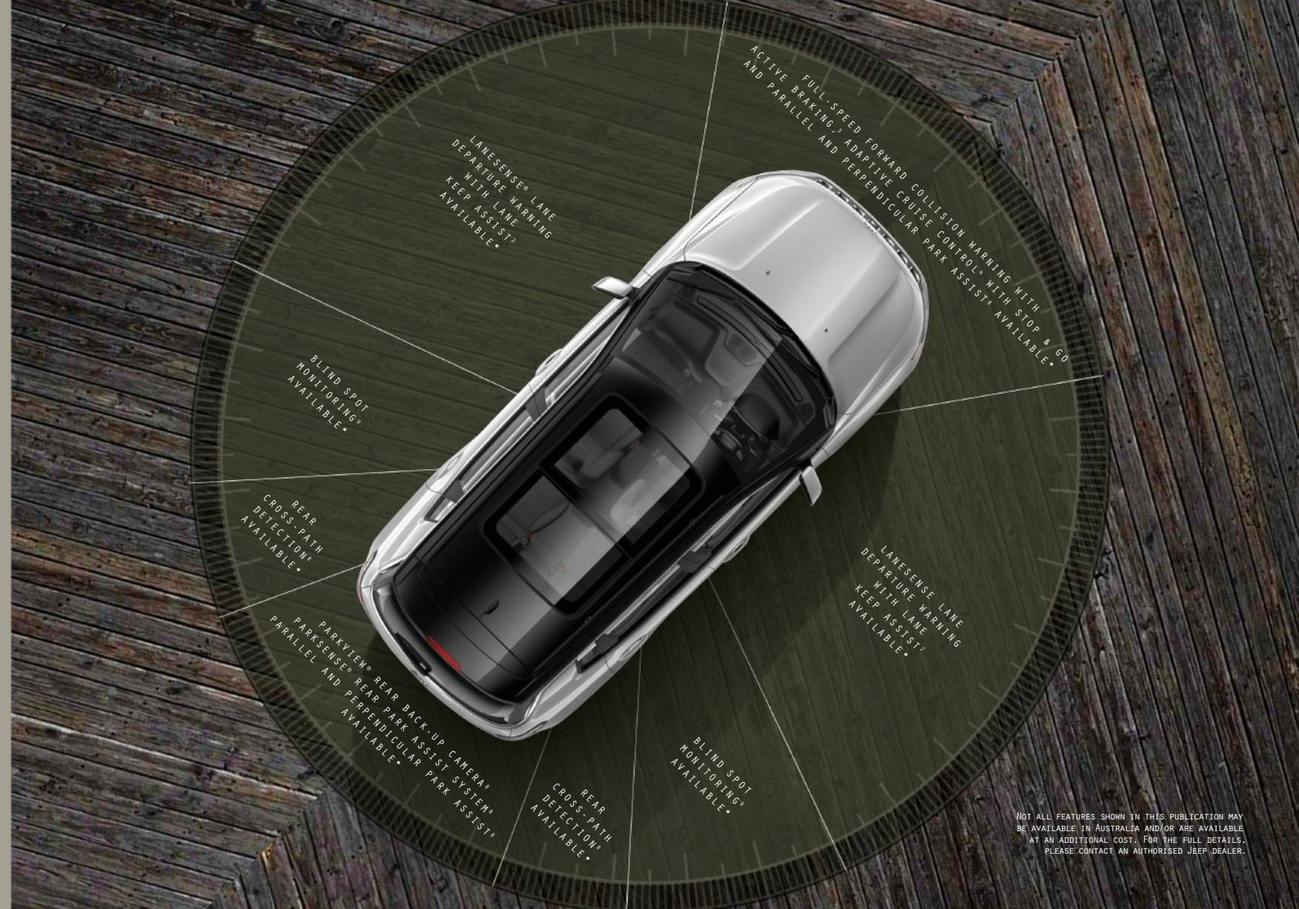
ParkSense® park assist system[3] Compass can help you park and back out with ease This available* system uses ultrasonic sensors to determine relative distance to objects in your pathway. Audible alerts notify the driver of object proximity.

ParkView® rear back-up camera[4] with dynamic grid lines Back out safely with grace. This system helps bring previously hidden rear objects to your attention, in good time to react.

Blind spot monitoring[5] and rear cross-path detection[6] These available*systems monitor the space between you and other drivers. When a side or rear blind spot is encroached, you're notified via illuminated icons on sideview mirrors or an audible chime.

Parallel and perpendicular park assist[4] Find your parking spot, and safely ease in. This available* active guidance system controls steering automatically using ultrasonic sensors that help you ease into parking spots. The Side Distance Warning feature helps you avoid hitting a wall or another vehicle and the Parallel Parking Exit Space manoeuvre helps drivers safely exit parallel parking spots.

Adaptive cruise control[4] with stop & go Maintain a consistent and safe distance from the vehicle ahead while cruising on the highway. This available* system automatically adjusts cruising speed to maintain a preset distance between you and the car you're following. Available*.



Not all features shown in this publication may be available in Australia and/or are available at an additional cost. For the full details, please contact an authorised Jeep dealer.

**ELECTRONIC STABILITY CONTROL (ESC)[10]** A vehicle-wide network of safety sensors provide instant aid should they detect you're veering off your intended path. ESC[10] coordinates Electronic Roll Mitigation, Hill Start Assist, antilock brake system and Advanced Brake Assist, all-speed traction control and Trailer Sway Control, sending them into action when needed.

**ELECTRONIC ROLL MITIGATION (ERM)** As an extension of ESC[10], ERM uses sensors to anticipate potential risk situations. If things get rough, ERM takes immediate action to help you maintain control and stability.

**RAIN-SENSITIVE WINDSHIELD WIPERS** Storm clouds hold little influence over your daily drive. Available* Front wipers activate when raindrops are detected, and adjusts wiper speed as conditions change.

**INTEGRATED VOICE COMMAND[1] WITH BLUETOOTH®** Allows driver to safely take or make phone calls, and more while keeping both hands on the wheel. Compatible with certain smartphones[1].

**TRAILER SWAY CONTROL (TSC)[10]** Works with ESC[10] to help you keep your tow load safely on course.

**REMOTE PROXIMITY KEYLESS ENTRY** This available* feature automatically unlocks the door or liftgate upon grabbing the handle, provided the key fob is near your vehicle. Press a small button on either front door to lock all doors and liftgate.

**TYRE PRESSURE MONITORING** Available* sensors immediately provide notification if pressure drops below the minimum acceptable level on any tyre.

**HILL START ASSIST** Helps prevent Compass from rolling when starting on an uphill gradient. It holds the vehicle stationary for approximately one second after the driver's foot is removed from the brake pedal, allowing time to apply the throttle.

**BATTERY RUN-DOWN PROTECTION** Helps prevent your battery from going flat, so you're always ready to go.

**REMOTE START SYSTEM[5]** One press of a button on your available* key fob starts Compass from as far as 100 metres away.

# ROAM ASSURED

Not all features shown in this publication may be available in Australia and/or are available at an additional cost. For the full details, please contact an authorised Jeep dealer.

# LOST IS THE NEW FOUND

Not all features shown in this publication may be available in Australia and/or are available at an additional cost. For the full details, please contact an authorised Jeep dealer.

*Available — means that this feature is available on select models only and/or available at additional cost — for full details contact an authorised Jeep dealer.

†Android Auto and Apple CarPlay is available* on, and compatible with, Uconnect® Systems installed in select Chrysler and Jeep vehicles. Uconnect® Systems do not support the Pandora® application, but it may appear as part of Android Auto and/or Apple CarPlay. FCA is not responsible for the availability, compatibility or use of applications, products and software supplied or supported by third parties.

(1) Requires a mobile phone equipped with a Bluetooth Hands-Free Profile. Compatibility can vary and change. (2) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and maintain control of the vehicle. (3) FCW system is solely an alert system for the front of the vehicle which does not take any actions to change vehicle dynamics to avoid a collision; not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use brakes to avoid collisions. (4) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use brakes to avoid collisions. (5) Remote Vehicle Start not available on all vehicles. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect wherever you operate your vehicle. (6) Do not attempt water fording unless depth is known and consistent with the vehicle's water fording rating in the Owner's Manual. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. (7) The Advanced Front Air Bags in this vehicle are certified to the new U.S. federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. (8) Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. (9) Always check visually for vehicles prior to changing lanes. (10) No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. (11) Apple CarPlay requires an iPhone 5 or later version of iPhone, running iOS 7.1 or above. The function of Apple CarPlay requires mobile data for full capability. Compatibility and performance can vary and change. (12) Android Auto requires an Android 5.0 or later version of Android, installed with the Android Auto Application. The function of Android Auto requires mobile data for full capability. Compatibility and performance can vary and change.
