LOUDER, PROUDER

Australia's best-selling sports car of 2017¹ is now even better, with a new, sleeker design, more advanced technology and greater performance. From every angle, the 2018 Mustang makes a powerful impression. There's a wider, more aggressive mesh grille, re-profiled bumper, new air extractor bonnet vents and new LED headlights with signature tri-bar lighting.

5.0L V8 Engine

Expertly engineered to help maximise power from every compression, the Mustang GT's 5.0L V8 engine utilises a dual-fuel, high-pressure direct injection and low-pressure port injection system. Boasting 339kW³ of power and 556Nm³ of torque, this is the stuff of legends.

10-Speed Automatic SelectShift[®] Transmission²

This is the best automatic transmission in any Mustang ever. Designed for optimum ratio progression and efficiency, it provides more accurate, quicker upshift and downshift capability. Now optional in the Mustang GT with steering wheel-mounted shift paddles included.

AEB with Pedestrian Detection⁴

Autonomous Emergency Braking is designed to help you detect if the car in front has unexpectedly stopped or a pedestrian steps out onto the road and can automatically apply the brakes if you don't.

DRIVE THE LEGEND

Nothing else offers the unique combination of classic style and exhilarating V8 performance quite like the Ford Mustang. Whether it's the Fastback or Convertible, the Mustang has a heritage few other cars can match.

Active Valve Exhaust

Delivering an audible experience like never before, the Active Valve Exhaust system lets you choose exactly when you want to make your presence known. Four modes are available: Normal, Quiet, Track and Sport, tailoring the exhaust note for every occasion.

Apple CarPlay & Android Auto¹

Apple CarPlay and Android Auto help you control some apps from your smartphone using the touchscreen, steering wheel controls, and voice assistant. Get turn-by-turn directions, traffic conditions, and estimated travel times from Apple Maps, Google Maps and even Waze.

LED Lighting

The Mustang now features all-LED lighting including signature tri-bar DTRLs, low and high beams, indicators, fog and tail lamps. There's even a 30 percent reduction in power consumption over the HID's from the prior model year.

Forged Aluminium Wheels²

The optional 19" Forged Aluminium Wheels not only provide a sporty new look, but are stronger and lighter to improve handling.

RECARO[®] Sports Seats²

Trust RECARO[®] to provide the perfect balance of support and comfort in this optional sport seat.

Racing Stripes

Pay homage to your Mustang's track-going stablemates by choosing the optional over-the-top racing stripes, available in black and white.

12-inch Digital Cluster

This is the first all-LCD display ever offered in a Mustang. It's easy to view, fast, responsive, and absolutely beautiful. Set your ideal ESC, throttle, steering, exhaust and gauge appearance preferences with the touch of a button.
