

STARIA & STARIA Load

100% Kiwi owned

The Hyundai brand has grown rapidly into a global automotive powerhouse. But first and foremost, we are a local business. Hyundai New Zealand is 100% kiwi owned and all our Hyundai dealers are 100% NZ operated. This means we are a New Zealand company helping New Zealanders grow.

STARIA Limited shown on left.
STARIA Load with optional accessories shown on right.
STARIA Load accessories pictured are for demonstration purposes only.

STARIA 8-seater

The iconic good looks of the STARIA are just half the story. Just step inside to discover the rest: every cabin detail has been reimagined to make driving life easier, safer, and more fun. Innovating inside and out: that's the sign of authentic design leadership.

STARIA Limited shown.

Step into Space.

Prepare to embark on a new journey into the revolutionary space of STARIA, where you will travel in maximum comfort, enjoy the pleasure of face-to-face conversation, and spend life-enriching moments. In this space, the possibilities are as unlimited as the different lifestyles of its owners. It's one small step for STARIA and one giant leap into the future of MPV mobility.

STARIA Limited shown.

STARIA Limited interior shown.

In a class of its own.

From the moment you first lay eyes on STARIA, you know it stands in a class of its own. It's not imitative or derivative but a truly original creation—the product of inspired design. Inside, you're greeted by a spacious, wide-open cabin that flourishes with premium touches like the digital gauge cluster and elegant materials that feel so soft to the touch and are always easy on the eyes.

LED headlights

Parametric pixel lights (LED rear combination lamp)

STARIA Limited interior shown.

8 Seater

Every inch of the well-designed 8-seater makes optimal use of cabin space so that everyone on board is assured of living room comfort. For enhanced safety, all 8 seats are equipped with adjustable headrests and 3-point seat belts.

Panoramic window

Lowering the beltline brings more light into the cabin and creates a feeling of openness. Add a panoramic window and enjoy a great view of the world passing by.

Pleasant space with plenty of headroom

STARIA offers a high ceiling and abundant headroom for a relaxed, wide-open feeling. The step height has been lowered for easier access.

Everyday is liberation day.

STARIA's smart features are truly liberating—they give you the freedom to focus on more important things. With the available smart key, STARIA's sliding doors open and close automatically. There's an abundance of storage space, and nice-to-have convenience features like the multimedia system that serves as a surround-view monitor while parking or as a rear-view monitor to let you keep an eye on traffic behind you.

STARIA Limited only.

Smart power sliding door

Upon sensing the presence of the proximity key, the smart door automatically slides itself open after a pre-set interval—a very convenient feature when your hands are full.

Adjustable 3rd row seats

Increasing the range of the to-and-fro motion of the rear seat makes it easy to create extra luggage space and helps passengers get in and out more easily.

STARIA Limited only.

Smart power tailgate (with auto-close function)

With the smart key and new proximity sensor, tailgate operation is truly smart and hands-free: it opens and closes automatically without requiring any driver input whatsoever.

Surround View Monitor

Surround View Monitor displays video of the situation around the vehicle for safe parking.

STARIA Limited shown on left.
STARIA Load with optional accessories shown on right.
STARIA Load accessories pictured are for demonstration purposes only.

STARIA Load

Spacious and smart, the STARIA Load provides everything you need to get the job done efficiently, safely, and in style. You get loads of room for your cargo and a well-appointed cabin that provides an oasis of comfort and relaxation for you and your crew.

STARIA Load in Creamy White shown.

2

Seater

Offering 4,935ℓ of cargo space*, the 2-seater combines maximum cargo-hauling capacity with uncompromising levels of comfort and convenience.

* (VDA standard)

2-seater passenger space

The multi-purpose design includes plenty of storage space inbetween the seats along with a front centre airbag. Seat side bolsters and door armrests provide excellent support and comfort.

This image shows 1,200 x 800mm Euro pallets.

Spacious cargo area

STARIA Load's cargo space is impressive and highly flexible: load your cargo quickly and easily through the 870mm-wide sliding door or through the tailgate.

5 Seater

The 5-seater is ready to handle the toughest jobs while providing an exceptional level of comfort and flexibility for you and your crew. Its 1.6m-long cargo bed improves your efficiency by allowing you to carry more per trip.

5-Seater passenger space

Rear headroom, legroom, and shoulder room have been maximised to balance the needs for peak passenger comfort and optimal cargo space. The backrest angle of the rear seats has been increased to 21° for a more relaxed seating position.

Lift up tailgate

The lift-up tailgate provides easy access to the rear of the STARIA Load whilst also providing shelter from both the sun and the rain.

Built for work.

STARIA Load optional equipment.

Impressively spacious and equipped with flexible design features like twin swing doors that speed up loading and unloading, the STARIA Load is the ideal partner for tradesmen and pro drivers who demand maximum efficiency. With its 2.5m-long cargo bed, the 2-seater van always seems to be hungry for more cargo. And to ensure you are equipped with the perfect tool for the job, there is a choice of accessories to match whatever you can throw at your STARIA Load.

Twin swing doors (optional)

Bulkhead is an optional accessory.

Towbar and steps with 2,500 kg braked towing capacity

Removable cargo barrier

Customisable ladder racking

Roof racks with 100kg load capacity

STARIA Limited shown.

Powerful and safe.

With the smooth and efficient 8-speed automatic gearbox, STARIA's new and more efficient 2.2 'R-series' diesel powertrain unleashes powerful performance excellent fuel efficiency. When the roads are slippery due to poor weather conditions, optional HTRAC all-wheel drive delivers maximum traction to all four wheels so you can keep moving ahead safely. Standard safety equipment includes 3-point seatbelts, headrests, and the latest airbag technologies to keep everyone aboard well-protected.

2.2 CRDi Diesel

130 Maximum Power
kW/3,800 rpm

430 Maximum Torque
Nm/1,500–2,500 rpm

STARIA Limited only.

HTRAC all-wheel drive

Whether you're driving in snow, in rain or over unpaved roads, HTRAC ensures that all four wheels are providing maximum traction at all times. And for those special times when you want power distribution to be evenly split between the front and rear axles, just press 4WD Lock.

3-point seatbelts/7 airbags

3-point seatbelts and adjustable headrests are now standard for all seats. 1st-row supplemental restraints include 2 front and 2 side airbags, while twin curtain airbags protect rear-row occupants. Also included is a segment-first front centre airbag to protect front seat occupants in the event of a side impact.

Hyundai SmartSense™

Forward Collision-Avoidance Assist (FCA)
If there's a danger of a collision with a car, pedestrian, or cyclist, FCA provides an early warning and, if necessary, it automatically brakes for you. It also detects oncoming vehicles at intersections to promote safer turns.

Lane Keeping Assist (LKA)
A front view camera detects lane markers and road edges helping prevent unintentional lane departures. When the vehicle strays from its lane (or road), the system sets off a visual and sound alarm and automatically steer the vehicle to prevent it from moving out of its lane (or road).

Blind-spot Collision Warning (BCW)
When operating the turn signal switch to change lanes, if there is a risk of collision with a rear side vehicle, the system provides a warning.

Smart Cruise Control (SCC)
Smart Cruise Control helps maintain distance from the vehicle ahead and drives at a speed set by the driver.

Lane Following Assist (LFA)
A front camera tracks the lane markers and helps keep the vehicle safely centered within the lane.

Rear Cross-traffic Collision Warning (RCCW)
RCCW warns of the approach of a vehicle across the rearward path when reversing.

Safe Exit Assist (SEA)
When the occupant opens the door to exit the vehicle after a stop, if an approaching vehicle from the rear side is detected, the function provides a warning. The function also helps keep the rear door closed through operation of the power sliding door on STARIA Limited models.

Hyundai's commitment to you

Our promise

We understand your decision to purchase one of our vehicles is not being made lightly and we thank you for putting Hyundai on your list. We know that by the time you decide which vehicle you want to purchase, you'll have had a good look at what's on offer in the market, and carefully weighed up the pros and cons of each. We hope you make the right decision for yourself. If you do decide to choose Hyundai, that won't be the end, it'll just be the start. Our goal is to live up to the confidence you've shown in us, by giving you the best customer service experience in New Zealand.

We call this the Hyundai Ownership Experience – which is a slightly corporate way of saying “we promise to look after you”.

The Hyundai Ownership Experience will actually start before you even have the keys in your hand, as your Hyundai dealer takes you through the things you need to know to get the most out of your new vehicle.

Personal handover

When you come in to pick up your new Hyundai, your dealer will take you through it from bumper to bumper. They'll show you where everything is and how everything works. They'll make sure you're across all those little things most people forget to ask about, like:

- » How to set up your mobile phone to work with Bluetooth
- » Where the tool kit is
- » How to connect and use your Apple CarPlay® or Android Auto®.
- » Where to find the first aid kit
- » How to register, setup and connect to Auto Link

They'll also check there's either a full tank of fuel or it's fully charged, that the vehicle is spotless inside and out, and that any accessories you specified are fitted just so.

This is also our opportunity to introduce you to the service team, who'll be looking after you in the years to come.

“THE DEALER EXPLAINED THE TUCSON TO ME AND WAS PATIENT WHEN WE HAD QUESTIONS.”

— GARY COCKRAM HYUNDAI CUSTOMER FROM CHRISTCHURCH

Meet the rest of the family

There's a good reason why your dealer will introduce you to the rest of the family. They're the people entrusted to be hands-on through your Hyundai Ownership Experience – the team who'll look after you and your vehicle when you come in for scheduled servicing.

There's no charge for the first service, and it happens after the first month on the road. Then it happens every 10,000 / 15,000 km*.

It's always good to be able to put a face to a name. And knowing them means you can call personally to discuss any concerns. Our people are experts at what they do and keen to show you how good they are. It's a pride thing and we encourage it.

A superb warranty and Roadside Assistance

Every new Hyundai is protected by our 3 year / 100,000 km factory warranty. In a nutshell, if there's any manufacturing issues, we'll fix them. But there's more.

Hyundai Roadside Assistance is included as part of our new vehicle warranty. It means if you should have an accident, puncture a tyre or run out of fuel anywhere in New Zealand, we'll send someone to get you up and running again – 24 hours a day, 365 days a year.

Extending your warranty beyond the factory period can make your ownership experience better yet. It's certainly worth considering. Our extended warranties can later be on-sold with the vehicle, something sure to increase its eventual resale value.

Servicing from trained Hyundai experts

Regular scheduled servicing within our network has real benefits.

Our specialist technicians use Hyundai diagnostic equipment to spot things that may be missed by the untrained eye.

We use genuine Hyundai parts, of course. These parts are built and tested to be specifically correct for your vehicle and are covered by a 1 year / 20,000 km warranty.

Your safety and the safety of your passengers are our number one priority. We can't vouch for the safety or performance of non-Hyundai parts. They only have to be slightly off or incorrectly installed and the integrity of your vehicle will be compromised.

If the cost of servicing is a concern for you, committing to a pre-paid service contract from day one will cost you less in the long run. You can sign up for these to cover your servicing needs for every service interval, which is every 10,000 / 15,000 km* or yearly (whichever happens first). You can do this for as many years as you want, and they're available for any Hyundai, no matter how old.

*Servicing for petrol turbo models is every 10,000 km or 12 months (whichever occurs first)

Insurance

Our insurance offering is part of Hyundai's commitment to improving your ownership experience.

Hyundai Insurance offers several exclusive benefits not available with other motor vehicle policies. For example, if your Hyundai is still in factory warranty, was purchased from a Hyundai dealer in New Zealand and is damaged beyond repair, we'll replace it with a brand new one*.

There's no excess if your glass is broken (up to \$2,000 cost), and we'll cover (up to \$1,500 cost) for the trailer you were towing if that's damaged*.

You can be sure only guaranteed, genuine Hyundai parts will be used in repairs**, and that only approved repairers will be working on your vehicle.

We also offer a Hyundai Insurance specific 24 hour assistance number: 0800 123 266.

*See your Hyundai dealer for full terms and conditions.
**Applies to new vehicles for five years.

Hyundai Fleet

If you're looking for the right vehicles for your business, Hyundai has the perfect fleet solution for you.

Whatever your business size or requirements, you can get the job done by choosing from Hyundai Fleet's diverse range of models and trucks, all of which offer the latest in technology, efficiency, safety and style. And as a Fleet customer, you have the flexibility of a range of ownership and leasing options, as well tax benefits and great value servicing.

So, from the city loving i20 to the cargo carrying iLoad, our fleet services can provide the right vehicles to help drive your business forward. For more information visit www.hyundai.co.nz/fleet

In the company of Kiwis

The Hyundai brand has grown rapidly into a global auto industry powerhouse. But first and foremost, Hyundai New Zealand is a New Zealand company.

Hyundai New Zealand is 100% kiwi owned and all our Hyundai dealers are 100% NZ operated. That's something we're pretty proud of.

This structure gives you the best of both worlds. The benefits of global resources and the huge investment in Research & Development that Hyundai makes, combined with our local commitment and understanding.

We're also very aware of what it means to be a New Zealand company. Our commitment to being a good Kiwi citizen starts with our treatment of customers and extends out into their communities.

We've actively supported the National Agricultural Fieldays for over a decade. We sponsor Hyundai Country Calendar, put money into NZ sailing, and are major sponsors of the Spirit of

Adventure Trust. We're also extremely proud of our New Zealand sponsorship of Kiwi rally driver, Hayden Paddon.

Our sponsorships allow us to offer customers the chance to join us as VIP guests at many of our events, including on board the Spirit of New Zealand and at Fieldays. Look out for these invites from time to time.

The Hyundai Experience will continue to grow and expand. We really want to give you the most rewarding experience you've ever had with a company.

Hyundai Country Calendar visits Doug Avery and his mates on his North Island farm for a yarn.

The Pinnacle Programme

The Pinnacle Programme is a unique scholarship, backed by Hyundai New Zealand, which provides talented young New Zealanders between the ages of 15 and 18 with the foundations for future success. The Programme is open to young kiwis with talent in all areas of endeavours, including, but not limited to, art, sport, science and business.

WWW.PINNACLEPROGRAMME.CO.NZ

Future New Zealand leaders as part of the Pinnacle Programme spend 21 days on New Zealand's iconic Outward Bound programme in Anakiwa, at the top of the South Island.

Hyundai Ambassador Team

Speaking of 0800 numbers, if you dial 0800 HYUNDAI (498 632), you'll be talking directly to one of our Hyundai Ambassador Team members in New Zealand. We operate a local call centre. Our team are trained to support you with any concerns, and they'll be able to help you out with anything you need them to.

We respond to every request, no matter how big or small, as quickly as we can. That's the New Zealand way of doing things, and it's our way too.

If it's an emergency you'll be put straight through to our Roadside Assistance team, who are trained to deal with any situation and will get someone out to you as quickly as possible if that is what is required.
