

Imagine that

KONA N.

Let's play.

 HYUNDAI

Overseds model shown.

Let's play.

Welcome to the Hyundai N division. A place where high performance meets serious fun. Where dynamic prowess is an invitation to exhilaration. And where one corner is only ever an entrée to the next.

Born in Namyang and honed at the infamous Nurburgring, N is more than an attitude. It's an elite team of world-class engineers assembled to deliver the next phase of Hyundai's performance evolution. And to craft a track-ready stable of hatches, sedans and SUVs that are built to thrill, as capable on your favourite hill climb or race track¹ as they are on your daily commute.

Intoxicating performance. Enthralling passion. And undeniable fun – to the N'th degree.

1. Warranty covers track use provided the vehicle is operated in accordance with the Owner's Manual and Service Warranty Passport. Exclusions apply including racing, rallying, competition or speed/endurance trials and defects caused by or attributable to improper use of vehicle. Refer to full warranty T&Cs for details and exclusions.

Play hard.

The all-new Kona N is the first SUV to join Hyundai's high-performance N range. A true hot SUV, it takes everything great about the original Kona and transports it to the outermost limits of pure fun. A precision-engineered machine that balances track¹ capability with the versatility required for the school run. An agile and approachable enthusiast's car that delivers genuine hot hatch capability, the Kona N injects excitement into your everyday drive.

It's not just a new way of thinking about Hyundai. It's a new way of thinking about the performance SUV. One where fun is fundamental, and performance is truly for the people.

Come for a ride.

1. Warranty covers track use provided the vehicle is operated in accordance with the Owner's Manual and Service Warranty Passport. Exclusions apply including racing, rallying, competition or speed/endurance trials and defects caused by or attributable to improper use of vehicle. Refer to full warranty T&Cs for details and exclusions.

Overseas model shown.

KONA N

The power to play.

With its track-honed 2.0L turbocharged GDi engine, the Kona N comes alive well beyond the limits of a normal SUV . Developing an impressive 206kW and 392Nm, it's both pliable and punchy, crafted to encourage enthusiasm on every outing. Peak torque is delivered all the way from 2,100 to 4,700rpm, meaning the Kona N feels endlessly eager to please. Whether it's overtaking on the motorway or powering out of a bend, this is a small SUV that defies convention.

The race-bred drivetrain is as adaptable as you are, featuring an 8-speed wet dual-clutch transmission (N DCT) that comes with three exclusive performance functions, each of which you select with the push of a button.

N Power Shift (NPS) engages when the driver accelerates with more than 90 percent of throttle travel, kicking in to deliver maximum power to the road. N Track Sense Shift (NTS) detects spirited or track driving¹, automatically activating transmission mapping to provide livelier, more palpable, acceleration. And N Grin Shift (NGS) has a trick all of its own. Touch the red button and it bumps the Kona N's power output to 213kW for 20 seconds — delivering a grin to your face, and you towards the horizon.

As armed for all out attack as it is composed and comfortable on your commute, the Kona N embodies the brilliance of the Hyundai N division: ready, willing, and exceptionally able.

1. Warranty covers track use provided the vehicle is operated in accordance with the Owner's Manual and Service Warranty Passport. Exclusions apply including racing, rallying, competition or speed/endurance trials and defects caused by or attributable to improper use of vehicle. Refer to full warranty T&Cs for details and exclusions.

Overseas model shown.

Ready for what's next.

Perpetually hungry for the next challenge, the Kona N offers a suite of high-performance features rarely seen in an SUV. Supremely capable yet calibrated for maximum fun, it's the sort of outsized functionality that's the hallmark of Hyundai's N division.

True to its N heritage, the Kona N's Launch Control function provides supreme traction for quick getaways, powering the hot SUV from 0-100km/h in just 5.5 seconds. Its N Corner Carving Differential – operating via an electronic limited slip differential (E-LSD) – is dynamic and decisive, instantly distributing torque to the outside wheels where required. As the Kona N hooks through bends, it minimises understeer and delivers optimum grip, providing performance that's as visceral as it is joyous – a connection to the drive that you feel in your stomach, and your soul.

Overseas model shown.

KONA N

Enviably energetic.

While sports tuned suspension increases poise—and oversized front and rear brakes boost stopping power—it's the Kona N's Variable Exhaust Valve system that take the soundtrack to a whole new level. Relatively subdued in its normal setting, it opens up in N mode, adding a WRC-car style crackling and popping sounds.

Of course, most trips are unlikely to be an exercise in lateral G forces, which is why the Kona N adapts to the everyday. Its customisable N Grin Control System features five distinct drive modes — Eco, Normal, Sport, N, and Custom — to put a smile on your face in every situation.

Overseas model shown.

Overseas model shown.

KONA N

Sculpted for ‘N’-ticipation.

As a true performance model, the Kona N features an array of N design details that symbolise power and performance. Taking the sporty and dynamic styling of the Kona as its starting point, it adds aerodynamic features that boost both form and function.

Racetrack elements such as a front-lip spoiler, rear diffuser and sculpted flanks lower wind resistance. A unique grille, wider, lower air intakes and a double-wing roof spoiler contribute to more efficient cooling and increased downforce. From behind, twin exhausts and an N-specific triangular brake light provide extra visual flair. The Kona N's distinctive N sport body kit makes it stand out from the crowd as a true hot SUV, even when it's not in motion.

N-specific 19" alloy wheels with Pirelli tyres—and distinctively over-sized high-performance brakes—set it even further apart as an SUV with attitude. At once muscular, composed, and playful, the Kona N's styling is a promise of performance that it's always ready to deliver on.

**Go the
distance.**

Overseas model shown.

KONA N

Take the wheel.

The interior of the Kona N is a reflection of the N spirit, combining unmistakable sportiness with the convenience and tactile luxury you expect from an SUV.

Featuring bolstered N sport front seats, the Kona N provides exceptional support, whether you're romping through corners or just cruising in traffic. With multiple details furnished in N-specific Performance Blue colour accents, sports alloy pedals, and a leather-appointed¹ N steering wheel and gear knob, there's something for the performance enthusiast and everyday aficionado alike.

The Kona N's customisable 10.25" digital supervision cluster is the ultimate visual interface between driver and car. It's tailored to delivering all-important information to the driver instantly in bold, crystal clear, colour - including torque, turbo boost, g-force and lap timer.

Just toggle the N buttons, and choose from six individual driving modes. In Custom mode you decide the drive, saving your specs for engine mapping, damper firmness, steering weight, E-LSD characteristics, stability control and exhaust sound level. It's your drive with your customised settings.

1. Leather appointed may contain elements of genuine leather, polyurethane leather (leather substitute) or man-made materials, or a combination thereof.

You've got game.

Loaded with next level technology designed around you, the Kona N brings you more control over your car and your driving experience, to make sure that getting there is always more than half the fun.

Exclusive to the Kona N, a high-performance head-up display (HUD)¹ adds more fun to the driving experience with a dynamic user interface. Showing a bespoke display when N mode is selected, HUD displays speed, revs, and gears in real time - allowing you to focus on the road ahead.

Its central 10.25" multimedia touchscreen display continues the graphic feel of the HUD and digital instrument cluster, while also offering Apple CarPlay^{TM2} & Android^{TM3} Auto connectivity. Wireless smartphone charging⁴ is included in every model and, with an eight-speaker Harman Kardon^{TM5} premium sound system also standard, the Kona N delivers an ultimate sonic experience both inside and out.

Intuitive, immersive, and endlessly engaging. In the Kona N, a new player has entered the game.

Keeping you safe.

The Kona N features the full suite of Hyundai SmartSense™¹ safety technologies. Developed to protect you and your family, they're constantly alert, ever-ready to intervene if danger is detected.

Intelligent systems such as Blind Spot Collision Avoidance Assist (BCA), Lane Following Assist (LFA), and Lane Keeping Assist (LKA) use the windshield-mounted camera to scan the environment around you, reading road markings and monitoring pedestrians, cyclists and other cars. Designed to react instantly if needed, these systems alert you to danger, provide steering assistance and even brake independently if a collision is anticipated.

Other systems go further to help. High Beam Assist (HBA) will automatically disable high beam at night to avoid dazzling oncoming drivers or leading vehicles. Blind-Spot Collision Avoidance Assist (BCA) uses radar sensors to detect vehicles to your side or approaching from behind. And a host of complementary technologies contributes to help you park and reverse safely, maintain concentration, or even negotiate your daily commute.

Every time you slide behind the wheel, the Kona N has your back – leaving you freer to concentrate on the joy of driving.

1. Hyundai SmartSense™ is a registered trademark of Hyundai Motor Company. Safety features are not a substitute for attentive driving.

Engine & transmission

2.0L Petrol T-GDI 8-Speed N DCT

Performance

- Active variable exhaust system – 3 modes (Normal, Sport, Sport+)
- Electronic Controlled Suspension (ECS) - 3 modes (Normal, Sport, Sport+)
- Electronic sound generator
- Launch control
- N DCT features - N Grin Shift (NGS), N Power Shift (NPS), N Track Sense (NTS), Creep start
- N Drive Mode System - 6 settings (Eco, Normal, Sport, N, N Custom 1 and N Custom 2)
- N Performance Driving Data System in multimedia display - customisable lap / acceleration timer, g-force meter, power / torque / turbocharger boost gauges
- Paddle shifters
- Traction mode – 4 settings (Snow, Deep Snow, Mud, Sand)

N Exclusive Exterior Styling

- 19” alloy wheels
- Bespoke Pirelli P Zero HN tyres
- N front bumper with mesh insert grille
- N front lip spoiler with painted insert
- N side skirts with embossed N logo
- N rear bumper with painted insert
- N rear spoiler in gloss black - with triangular high mount stop light, hatch mounted

N Exclusive Interior Styling

- Black headlining
- Coloured stitching & inserts - Performance Blue (seats, steering wheel, front armrest, gear knob, and gearshift boot)
- Charcoal grey inserts (interior door handles, steering wheel and air vents)

- Leather¹ appointed N sports steering wheel & gear knob

Design & Technology

- 10.25” TFT N Supervision cluster
- 10.25” Touchscreen with Apple CarPlay^{2™} & Android[™] Auto³ compatibility
- Satellite Navigation⁴
- Bluetooth⁵ phone connectivity
- Wireless smartphone charging⁶
- Harman Kardon[™] premium audio system
- Smart key with push button start
- LED headlights & taillights
- LED Daytime Running Lights (DRL)
- Rain sensing wipers

Safety

- Hyundai SmartSense^{™7} including;
 - Blind-Spot Collision-Avoidance Assist (BCA)
 - Driver Attention Warning (DAW)
 - Forward Collision-Avoidance Assist (FCA) – camera and radar type, including:
 - Car/Pedestrian/Cyclist detection
 - City/Urban/Interurban operational speeds
 - High Beam Assist (HBA)
 - Lane Following Assist (LFA)
 - Lane Keeping Assist (LKA)
 - Rear Cross-Traffic Collision-Avoidance Assist (RCCA)
 - Rear Occupant Alert (ROA)
 - Safe Exit Warning (SEW)
 - Smart Cruise Control (SCC)
- Parking Distance Warning – Reverse (PDW-R)
- Rear View Monitor with Parking Guidance

Relax, we'll take it from here.

We built iCare around one simple, innovative idea. That comprehensive on-the-road care should come standard with every car – not just as an “optional extra.”

Our five-year, unlimited kilometre warranty¹ means you've got the freedom to go ahead and drive without having to keep an eye on the odometer.

Imagine knowing the maximum price of your next scheduled service, before pulling into the service centre. That's the advantage of our Lifetime Service Plan² – a clever Hyundai initiative that gives you transparency and peace of mind for the life of your car. No hidden fees and surprises.

Since every new Hyundai is built to the highest standards, we've got the confidence to offer comprehensive customer service without exception – or as we like to say, amazing as standard. And that includes Sat Nav Update Plan for up to ten years³, and a 24/7 Roadside Support⁴ for 10 years when you service with us.

1. **5 year/unlimited km warranty:** Applies to new passenger vehicles used for private/domestic purposes. Excludes vehicles used at any time for “commercial application” as defined in the vehicle warranty policy, for which a 5 year/130,000km (whichever occurs first) warranty applies. Refer to full warranty terms & conditions for details and exclusions. 2. **Lifetime Service Plan:** For the benefit of Hyundai owners, Hyundai provides online quotes which specify the maximum price applicable for a vehicle's next scheduled maintenance service at a participating authorised Hyundai dealer and using genuine Hyundai parts (where required). Online quotes are available at hyundai.com/au/en, apply for a stated effective period only and may change after that effective period without notice. Standard scheduled maintenance services are of limited scope. The benefit of online quotes is available for all Hyundai vehicles, for their lifetime. 3. **Sat Nav Update Plan:** Maximum number of 9 updates delivered on an annual cycle which must be undertaken within 10 years of the vehicle's purchase. Included map updates apply only if the vehicle completes a scheduled service at a participating Hyundai dealer. 4. **Roadside Support Plan:** Receive 12 months Roadside Support when you purchase a new Hyundai passenger vehicle (excluding rental buyers). Further Roadside Support extensions are available, each for 12 months from the date of a scheduled maintenance service at a participating authorised Hyundai dealer (unless vehicle is more than 108 months (9 years) from the original new car sale date, in which case entitlement to Roadside Support ends when vehicle reaches 120 months (10 years) from original new car sale date).
