Overseas models may be shown in imagery, Australian model and actual colours may vary. All product illustrations and specifications are based upon current information. Stellantis (Australia and New Zealand) Pty Ltd ABN 23 125 956 505 trading as Stellantis Australia reserves the right to make changes from time to time, without notice or obligation, in prices, specifications, technical information, accessories, colours, materials and to change or discontinue models. All vehicles, models, features, colours and/or accessories shown may not be available in Australia from time to time or at all. "Optional" may mean available as an option but only at an additional cost. For the details of the vehicles, models, features, colours and/or accessories currently available in Australia, please contact an authorised Jeep Dealer.

(1) Fuel consumption figures are according to Australian Design Rule (ADR) 81/02. Driving style, road and traffic conditions, fitment of accessories, environmental influences and vehicle condition can lead to consumption figures which may differ from those calculated with these standards. (2) Apple CarPlay® requires an iPhone 5 or later version of iPhone, running iOS 7.1 or above. The function of Apple CarPlay® requires mobile data for full capability. Compatibility and performance can vary and change. (3) Android Auto® requires an Android 5.0 or later version of Android, installed with the Android Auto® Application. The function of Android Auto® requires mobile data for full capability. Compatibility and performance can vary and change. (4) Android Auto® and Apple Carplay® is available on, and compatible with, Uconnect® Systems installed in select Chrysler and Jeep vehicles. Uconnect® Systems do not support the Pandora® application, but it may appear as part of Android Auto® and/or Apple Carplay®. FCA is not responsible for the availability, compatibility or use of applications, products and software supplied or supported by third parties. (5) Trailer tongue download subject to certain operating conditions. Please refer to Owner's Manual for full details. (6) This vehicle is capable of crossing through water at a depth of 760mm (30 inches) at speeds no greater than 8km/h (5mph). Water ingestion can occur causing damage to your vehicle that may not be covered by the New Vehicle Warranty. (7) 5 years from the date of vehicle registration or 100,000km (whichever comes first). (8) After your warranty period expires, scheduled maintenance services must be conducted through a Jeep Authorised Dealership at manufacturer specified intervals to maintain Lifetime Roadside Assist. Free Roadside assist is not redeemable for cash. (9) Maximum towing capacity is based on Aggregate Trailer Mass (ATM). Please follow towing information in the Owner Manual or consult your preferred Jeep dealer for details. (10) Subject to State and Territory regulations. Payload is defined as the Gross Vehicle Mass (GVM) minus the kerb mass. Payload is the maximum combined value of occupants, cargo, added options, added structures and tow ball download (when towing). The GVM must not be exceeded. The Gross Combined Mass (the combined weight of the fully loaded vehicle including tow ball download (when towing) and trailer must also not be exceeded. Please see Owner's Manual for vehicle specifications.
