

built for the great outdoors An innovative collaboration between heart and mind, Subaru Outback is as respected and revered as the Australian outback itself. Restless for adventure from the ground up, Subaru Outback draws on the inherent sure-footed dynamics of Symmetrical All-Wheel Drive and the rigid Subaru Global Platform for the ultimate in driving confidence and unbridled fun. With an impressive 213mm ground clearance¹, and the terrain taming X-Mode, hidden camping spots can be reached effortlessly. Meanwhile, the openness of the great outdoors is mirrored by ingenious interior space and outstanding versatility. Subaru Outback AWD Sport . Ground clearance at kerb weight.

the luxury of outback

To many, the outback evokes thoughts of one of the harshest environments on earth. But to Subaru it represents the perfect alignment of beauty and sophistication, premium design and luxury distilled down to its purest form.

As the flagship Subaru SUV, the Subaru Outback redefines comfort in a way the whole family can embrace. The driver and front passenger are spoilt with power adjustable seats, advanced shaping for increased support and more overall room. Not to be overlooked are the backseat passengers with reclining rear seats, quick-charge USB ports and rear air vents.

The Subaru Outback AWD Touring introduces further high end luxury, with Nappa leather accented seats, a dual memory function for the driver's power adjustable seat, electric sunroof, heated steering wheel and a premium Harman Kardon^{®2} system with nine speakers, subwoofer and amplifier for a true bass performance.

tech at your fingertips

Be the master of your own universe thanks to the tablet-like 11.6" infotainment screen with lightning fast response touch and crystal clear, high definition graphics. Tap into your contacts, bring up maps, select different driving modes, adjust the dual zone air-conditioning system and access compatible apps, news, music, podcasts and more. This advanced, multi-function infotainment control centre can be controlled with the mere power of your voice or the flick of a finger.

OUTSTANDING CONNECTIVITY

Tablet-like, infotainment screen with quick response touch and crystal clear graphics. With Apple CarPlay® and Android AutoTM smartphone connectivity¹ as standard.

SMART AIR-CONDITIONING

The stylish smart cabin stays chilled with an improved, voice-operated dual zone air-conditioning system, with humidity sensors to gauge temperature, comfort and monitor efficiency.

PADDLE SHIFT CONTROL

8-speed manual mode can be controlled via steering wheel paddles, providing the option of a driving experience similar to a conventional manual transmission.

VOICE COMMAND

Voice technology lets you send and access smartphone text messages, play music, make phone calls and more².

More command centre, than cockpit, Subaru Outback tech sets a new benchmark www.subaru.com.au/outback

The large, 522L flat cargo space will easily swallow all the family's gear, while dedicated phone storage and handy pockets let you stash all the essentials for easy access. Pull-out, rear cargo tie down points will secure it all and the 12V power supply can have that mattress pumped up in no time.

To maximise interior space, strap the skis to the fully integrated, fold out cross bars on Subaru Outback AWD and Outback AWD Touring, or choose the Outback AWD Sport for strengthened roof rails designed to handle a strong load. And with a wave of your hand, Subaru's hands-free powered rear tailgate¹ makes unloading a breeze.

See all the ingenious ways Subaru Outback makes the most of every inch of space at www.subaru.com.au/outback

1. Available on Subaru Outback AWD Sport and Outback AWD Touring only.
2. Available on Subaru Outback AWD and Outback AWD Touring only.

wrap yourself in luxury

Slipping into the Subaru Outback cabin reveals a bold dimension where the senses are both awakened and indulged. Beyond the generous 11.6" infotainment touchscreen the light-filled space capitalises on optimum visibility, while the sweeping dashboard design showcases refined textures, premium finishes and tactile, soft touch interior materials.

Ergonomic seats seduce the body with a level of luxury that elicits an almost audible sigh. With adventure in mind, the Subaru Outback AWD Sport boasts water repellent¹ sports seat trim, with heated front and rear passenger seats² to soothe those muscles on the long drive home from a dawn surf.

Subaru Outback AWD Touring dials up the warm welcome, with a heated steering wheel for the driver and seats wrapped in luxuriously soft Nappa leather accented trim.

WATER REPELLENT TRIM¹

SOFT TOUCH MATERIALS

HEATED SEATS

1. Water repellent trim repels water so that the material is not easily penetrated by small amounts of water. Trim is not 100% waterproof. Intermittent cleaning may be required to maintain water repellent characteristics. 2. Rear outboard seats only.

The heart and soul of Subaru Outback owes its vitality to the intersection of two irreplaceable forces – the iconic horizontally-opposed Boxer engine and Symmetrical AWD system. Designed to sit lower and flatter in the engine bay than traditional engines, Boxer's unique design delivers less noise and vibration to the cabin, while the lowered centre of gravity improves stability, cornering and traction with the road.

Coupled with Subaru Outback's symmetrical drivetrain, this configuration delivers innate balance from the ground up while driving engine power to all four wheels. With simultaneous power distribution, the Subaru Outback boasts twice the grip capacity, compared to conventional vehicles, resulting in better balance, superior handling confidence on slick city streets and outstanding driver enjoyment.

Safety and performance are built into the very core of Subaru Outback, learn more about the advanced engineering at www.subaru.com.au/safety-active

Never has it been easier to forge your own path, with the Symmetrical All-Wheel Drive and Subaru's most advanced X-Mode system making Subaru Outback more capable off-road than ever.

Activated via a button on the infotainment touchscreen, X-Mode allows the driver to change modes to suit the conditions.

power to explore

Whether traversing mountain ranges or hauling the boat to the coast, Subaru Outback is driven by the extra power and torque of the 2.5L Boxer engine. With 90% new parts, compared to the previous generation 2.5L Boxer, the reengineered engine works in tandem with core Subaru technologies and the Subaru Global Platform (SGP). This streamlined framework features a rigid suspension base, which results in minimal frame distortion and body roll. By helping to maintain ideal tyre contact and grip with all road surfaces, SGP delivers responsive steering, confident cornering, optimum control and excellent straight-line stability. Factors which all support confident towing, to complement Subaru Outback's 2,000kg braked towing¹ capacity.

Boxer Engine

2,000kg
Braked Towing
Capacity¹

Read the story behind every inch of the SGP's engineering at www.subaru.com.au/safety-protective

^{1.} Towing capacity is subject to regulatory requirements, tow bar and vehicle design and towing equipment limitations. Requires fitment of optional tow bar accessory. Ask your Retailer for details of Genuine Subaru tow bar capacity and availability details. Always refer to your Owner's Manual for towing instructions.

Protecting you and your passengers throughout every moment of your journey always has been, and always will be, at the heart of everything Subaru does. Subaru strives to create innovative cars that protect you and your loved ones, whether they're in or outside the car.

towards zero fatal road accidents by 2030'

It's a philosophy that started with Subaru's first mass produced vehicle and saw Subaru achieve a number of world safety firsts.

Now, Subaru is proud to introduce its most important safety vision yet – working towards zero fatal road accidents in a Subaru vehicle by the year 2030¹. A vision underpinned by the four vital safety pillars of Primary, Active, Preventative and Protective safety that work together to achieve Subaru's 'All-Around' approach to automotive manufacturing. By combining holistic design principles and advanced safety technologies with cutting-edge future innovations, Subaru Outback aims to provide inherent safety and peace-of-mind, to enjoy the magic of every single journey.

Road user safety is expressed in the design of countless
Subaru innovations www.subaru.com.au/safety

^{1.} Subaru Corporation (the Japanese manufacturer of Subaru cars) has publicly stated its aim to reduce the number of fatal accidents in a Subaru vehicle to zero by 2030 as well as the number of fatalities among pedestrians, cyclists and the like as a result of a collision with a Subaru vehicle. For more information on Subaru Corporation's CSR initiatives visit www.subaru.co.jp/en/csr/subaru_csr/sixpriority/peace.html

A smart assistant to have on your side, Subaru's Vision Assist uses embedded cameras, advanced monitors and radar technology to detect vehicles and obstacles you can't see. Combined with the forward vision features of EyeSight®, Subaru's Vision Assist empowers drivers with a sixth sense to support preventative safety.

all knowing, all seeing

Subaru's Vision Assist can give drivers a greater awareness of the world around them. Blind Spot Monitor uses sensors to make lane changes safer, by warning of vehicles detected in the blind spot. While Lane Change Assist can detect fast approaching vehicles and warn the driver of their presence when changing lanes. Rear Cross Traffic Alert can warn the driver that another car is approaching when reversing out of a parking space. Meanwhile, if the vehicle detects an obstacle behind the vehicle while reversing, Reverse Automatic Braking can apply braking if the driver doesn't react first.

Front View Monitor¹ uses a front grille mounted camera to capture images of the area immediately in front of the vehicle to avoid damage when parking. The Side View Monitor¹ camera shows the vehicle's front passenger side quarter view, eliminating this blind spot when manoeuvring the vehicle. While, Adaptive Driving Beam automatically adjusts the headlight beam to prevent dazzling other nearby road users, while maintaining a high level of light and visibility.

Read more about the way Vision Assist innovations are keeping Subaru owners safe at www.subaru.com.au/safety-preventative

1. Available on Subaru Outback AWD Sport and Outback AWD Touring only.

Subaru tackles driver distraction and fatigue with a Driver Monitoring System – Driver Focus (DMS)¹ standard across the Subaru Outback range. This innovative system constantly monitors the driver's attention to help reduce the chance of accidents.

Driver Monitoring System

always alert

Whether your journey is long or short, Subaru recognises that at times the driver may be distracted. Which is why DMS¹ has been developed to offer another layer of safety, coupled with personalised driver convenience.

Updated to incorporate new technology advancements, the Subaru Outback's DMS¹ uses near infrared LEDs and a camera to recognise when the driver's attention is waning or if they start to fall to sleep. An alert will then warn the driver, reminding them to refocus on the road ahead.

The system's intelligent facial recognition can also identify five separate drivers and then automatically personalise the cabin to their preferences - adjusting the climate control and Multi-Information Display (MID) screen. While the Subaru Outback AWD Touring can also automatically adjust the driver's seat and door mirror position.

Learn how the DMS watches out for signs of driver distraction at www.subaru.com.au/safety-preventative

^{1.} Driver Monitoring System performance and capability dependent on environmental and technical conditions. Refer to Owner's Manual for full details.

Designated crumple zones direct impact energy away from the ring-shaped passenger safety cell, while the Boxer engine is designed to slide below the cabin in a severe frontal collision.

peace of mind protection

It has always been Subaru's purpose to design vehicles with a crucial advantage in road safety and occupant protection. While Towards Zero fatal road accidents in a Subaru vehicle by the year 2030¹ represents Subaru's ambitious future target, decades of astute observation, structural development and design research has informed the remarkable safety advances built into the 5 star ANCAP² safety rated Subaru Outback.

The SGP and ring-shaped passenger safety cell absorb and direct impact force around the cabin, rather than through it.

An overwhelming feeling of protection is underpinned by Subaru Outback's carefully engineered body structure and Subaru Global Platform, including the ring-shaped passenger safety cell. The ring-shaped passenger safety cell that cocoons occupants has been designed to absorb and direct the impact of a collision around the cabin, rather than through it. Meanwhile, the symmetrical layout of the All-Wheel Drive system and horizontally-opposed Boxer engine is designed to allow the engine to 'submarine' under the floor during a severe frontal collision – protecting the cabin's occupants.

In addition, the chassis structure has been engineered to include crushable zones, absorbing collision energy to effectively protect passengers. While Subaru can't control every variable on the road, the inclusion of eight SRS³ airbags in the Subaru Outback, including the front passenger seat cushion airbag, can help reduce the possibility of serious injury in the event of a serious accident.

Discover more reasons why Subaru Outback gives you peace of mind protection at www.subaru.com.au/safety

^{1.} Subaru Corporation (the Japanese manufacturer of Subaru cars) has publicly stated its aim to reduce the number of fatal accidents in a Subaru vehicle to zero by 2030 as well as the number of fatalities among pedestrians, cyclists and the like as a result of a collision with a Subaru vehicle. For more information on Subaru Corporation's CSR initiatives visit www.subaru.co.jp/en/csr/subaru_csr/sixpriority/peace.html. 2. The Australasian New Car Assessment Program (ANCAP) gives consumers consistent information on the level of occupant protection provided by vehicles in serious front and side crashes. Subaru Outback tested in 2021. 3. SRS: Supplemental Restraint System. Effective when used in conjunction with seatbelts.

12 Month Roadside Assistance Program ¹⁰	•	•	•

^{1.} Subaru Australia reserves the right to change mechanical specification and equipment levels without notice. 2. Digital radio reception not available in all areas. 3. Requires compatible Siri® enabled Apple® device to be paired with the infotainment system. 4. Compatible Apple® or Android™ device required. 5. Harman Kardon® is a registered trademark of HARMAN International Industries, Incorporated. 6. Bluetooth® is a registered trademark of Bluetooth SIG Inc. System operation ability is subject to the Bluetooth® wireless technology specification of individual's phone. 7. There may be restrictions on features available for certain models that are not fully compliant with AVCRP. 8. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit www.subaru.com.au/owners/warranty. 9. Every eligible 2022 onward Subaru Outback comes with Subaru's 5 Year/62,500 Km Capped Price Servicing Program. Available at participating Subaru Retailers only and does not apply to rental and some other classes of vehicles. For full Capped Price Servicing Terms and Conditions, visit www.subaru.com.au/service/pricing/capped-price-servicing. 10. 12 month Club Membership and Roadside Assistance Offer is standard upon activation with the relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 month Club Membership and Roadside Assistance Offer at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru and have less than 5 vehicles under the Club Membership offer. Customers must provide a valid phone number and residential address, as well as date of birth. Fleet, Government and Rental companies are excluded. Terms and conditions apply. For more information, visit www.subaru.com.au/roadside-assistance

welcome to the family

There are cars that simply get you from A to B, and then there are cars that empower you. Buying a Subaru is like embracing life with both hands and knowing that nothing is going to stop you. When you buy a new Subaru you are welcomed into an owner's program that gives you access to a number of benefits.

SUBARU NEW CAR WARRANTY - 5 YEAR/UNLIMITED KILOMETRES¹

Every new Subaru purchased for private use is covered by a 5 Year/Unlimited Km manufacturer's national warranty. Visit **www.subaru.com.au/owners/warranty** or ask your Subaru Retailer for more information.

SUBARU CAPPED PRICE SERVICING²

With our 5 Year/62,500 Km Capped Price Servicing Program, you'll now know the maximum amount you will have to pay for your next scheduled service during the Program period. You'll also have peace of mind knowing that specialist Subaru technicians will be looking after your pride and joy using only Genuine Subaru Parts. For more information on our Capped Price Service Program visit: www.subaru.com.au/service/pricing/capped-price-servicing

1-MONTH HEALTH CHECK AND CHAT

The 1-Month Health Check and Chat is a free consultation within the first month after delivery of your new Subaru. It allows our factory-trained technicians to provide quick vehicle checks, and one of our Service Advisors will answer any of your questions to help ensure an ongoing, worry-free experience.

SUBARU'S MAP UPDATES3

If your new Subaru is fitted with a factory line fit navigation unit, your unit will be covered by Subaru's Map Update Program – guaranteeing you'll have access to the latest maps for the first 3 years of ownership.

^{1.} Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit www.subaru.com.au/owners/warranty. 2. Every eligible Model Year 2022 onward Subaru Outback comes with Subaru's 5 Year/62,500 Km Capped Price Servicing Program. Available at participating Subaru Retailers only and does not apply to rental and some other classes of vehicles. For full Capped Price Servicing Terms and Conditions visit www.subaru.com.au/service/pricing/capped-price-servicing. 3. Subaru's Map Update Program is available on 2022 Subaru Outback models purchased with the factory line fit Gen4.0 navigation unit. Subaru's Map Update Program is not available on accessory fit or dealer sourced navigation units. For full terms and conditions of the Subaru Map Update Program visit www.subaru.com.au/servicing/subaru-map-update-program.

SUBARU ROADSIDE ASSISTANCE¹

Enjoy 12 months of Australia-wide, standard Roadside Assistance when you purchase your new Subaru. In the unfortunate situation where you need that extra helping hand, Roadside Assistance will help with arranging a tow, battery service, flat tyre service, fuel delivery and lockout service.

SUBARU CERTIFIED COLLISION REPAIRER NETWORK²

With a dedicated Subaru Certified Collision Repairer helpline available on 1800 737 179, help is available when you need it most. Available 24-hours a day, 7 days a week, help is only a phone call away. Subaru Certified Collision Repairers guarantee that trained specialists will repair your Subaru to strict factory specifications using Genuine Subaru Parts.

GENUINE ACCESSORIES

Genuine Subaru Accessories are designed to enhance your vehicle, help you get more stuff done and have more fun! Our genuine accessories are factory approved by Subaru and are protected by the Genuine Subaru Accessories Warranty. For our full range of Subaru Outback accessories visit www.subaru.com.au/outback/accessories. For more information on Genuine Subaru Accessories, visit www.subaru.com.au/accessories-information.

SUBARU INSURANCE3

It's important to enjoy the freedom of owning a Subaru, but it's also important to protect it. Subaru Premier Motor Vehicle Insurance is designed to protect your Subaru and your investment in it.

SUBARU CERTIFIED USED CARS

Looking for a high quality used Subaru? Every Subaru Certified Used Car has passed a 120-point quality inspection giving you peace of mind – from participating Subaru Certified Used Car Retailers.

AFFORDABLE OWNERSHIP

Enjoy being on the road for longer, for less with 12 month/12,500km service intervals and 5 Year/Unlimited Km Warranty⁴. The SUV is not only affordable to run but allows you the freedom to enjoy where the fun takes you.

SUBARU FINANCIAL SERVICES⁵

When you fall in love and know it's the one, you don't want to wait. So why should you?

Subaru Financial Services brings you and your Subaru together, faster. It's like a Vegas wedding, with a bit more class and a lot better with numbers. And the only thing better than your new Subaru, is your next one. So we work hard to make upgrading into a newer Subaru more often, part of the process. It's a lifelong love affair - we get it. Available at participating Subaru Financial Services Retailers.

^{1. 12} month Club Membership and Roadside Assistance Offer is standard upon activation with the relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 month Club Membership and Roadside Assistance Offer at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru and have less than 5 vehicles under the Club Membership offer. Customers must provide a valid phone number and residential address, as well as date of birth. Fleet, Government and Rental companies are excluded. Terms and conditions apply. For more information, visit www.subaru.com.au/roadside-assistance-program. 2. Subaru Certified Collision Repairer network not available in all areas. Call 1800 737 179 or visit www.subaru.com.au/retailers to find your closest Subaru Certified Collision Repairer. 3. Subaru Insurance products are issued by Allianz Australia Insurance Limited AFS Licence No. 234 708 ABN 15 000 122 850 (Allianz). In arranging this insurance Subaru (Aust) Pty Limited ABN 95 000 312 792 (Subaru) and the authorised dealers act as agents of Allianz and not as your agent. Neither Subaru nor any of its related companies or appointed authorised Retailers have any liability in respect of these policies. 4. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hier car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit www.subaru.com.au/owners/warranty. 5. Finance to approved applicants only. Credit criteria, fees, charges and T&Cs apply. Finance is provided by IFSA Pty Ltd ABN 39 651 319 774 trading as Subaru Financial Services, managed by Allied Retail Finance Pty Ltd ABN 31 609 859 985 Australian Credit Licence 483211.
