There’s a spirit that runs through Toyota. It’s a feeling of achievement. It pushes us. Inspires us.

— It’s what saw us mass produce the first dedicated hydrogen fuel cell vehicle, the Mirai, and what will see us define the very future of movement. Our Japanese founders called it ‘Kaizen,’ but we simply call it ‘continuous improvement.’ A relentlessness to always move forward, never settle for good enough.

And here’s the exciting part, this feeling of achievement is yours to experience. Life changing moments, just waiting to be told. Whether it’s the thrill of experiencing the latest in technology, venturing somewhere completely new or simply spending more time with your family. That sense of achievement, whatever form it comes in, will be a feeling you never forget.

This is a journey for which we don’t know the destination, but looking back at how far we’ve come, it’s safe to say tomorrow looks exciting beyond imagination.

“…We are a group of passionate perfectionists who can’t let well enough alone… That’s Toyota. That’s the spirit. And that’s our contribution to the world. We will be the best we can. And we will help as many as we can to be the best they can…”

— Eiji Toyoda
Meet the exciting and ever entertaining Yaris. It’s the car that comes with the convenience and comfort you need, all within a fun sized package.

So whether it’s your daily commute to work or a relaxing weekend at the beach, Yaris has you covered. Choose from three grades: Ascent, SX and ZR, each ready to make a big impression in its own way.
Make a statement

Yaris effortlessly catches the eye from every angle with its distinctive design and refined sporty feel. Whether it takes you to your much loved local restaurant or on to brand new adventures together, Yaris announces your presence. Its cohesive lines exhibit a confident on road presence, with the sleek rear spoiler on ZR to further add to its refinement.

The compact dimensions make it ideal for zipping around the city and finding the perfect parking spot. Not to mention, the convenience of a reversing camera to help guide you.
Yaris is the car that gets you where you need to be, with the ability to zip around town whilst achieving outstanding fuel efficiency.

Stream your favourite tunes via Bluetooth® on the 6.1" colour touchscreen. On SX and ZR, you have the added benefits of Toyota Link³ for easy access to the latest weather and fuel price information plus much more all at your fingertips.

Style with substance
Step into Yaris and you’re in for a big surprise. Its compact yet spacious cabin packaging takes design to a whole new dimension.

There’s generous legroom and plenty of headroom. Adjustable bucket seats in the front and a full-width rear seat for three, to ensure outstanding comfort and support. Yaris’ versatility allows you to transform the interior into your own unique personal space.

You’ll also find more storage space than you’d think possible in a car of this size, with a two-tier boot and convenient storage options such as separate lower and upper glove compartments.
Agile and effortless

For a small car Yaris is big on convenience. Whatever your needs, gym bags, beach gear, there’s plenty of room for it all, with the flexibility of 60/40 split fold rear seats.

Staying in control is easy with the integrated steering wheel controls for phone and audio. For added flexibility there is also USB connectivity available.4

Satellite navigation5 on SX and ZR can guide you with ease whenever you need it. Paired with SUNA™ traffic channel,6 it gives you helpful updates on traffic conditions.

On the open road, cruise control helps to take a load off the journey. Plus the Multi Information Display (MID) features all the information you need, such as outside temperature, trip data and other useful details for your journey.

With all these benefits it’s easy to see why Yaris should be your number one choice.
Whether you’re dashing around town or cruising on the open road, you’ll find Yaris gives you enough power to zip around.

The 1.3L engine on Ascent and 1.5L engine on SX and ZR feature Variable Valve Timing with intelligence (VVT-i) technology delivering dynamic performance and greater fuel efficiency. This engine uses continual variations to the intake valve timing to improve drivability, performance and efficiency.

And with a low fuel consumption, it’s a great choice when it comes to filling up at the pump.

Wherever you’re heading, Yaris allows you to enjoy a smooth ride with a 4-speed automatic across the range or choose 5-speed manual in Ascent and SX.
Small, but big on safety

Yaris stands tall when it comes to safety, awarded with the highest 5-star ANCAP safety rating (awarded November 2017) and equipped with a reversing camera and 7 SRS airbags.

When driving you’ll appreciate the control of Brake Assist\(^1\) (BA) which provides extra brake force during an emergency situation. The Anti-lock Braking System (ABS) prevents wheel lock-up and skidding, and Electronic Brake-force Distribution (EBD) maximises braking efficiency by automatically increasing the brake force to the wheel(s) that need it most.

Vehicle Stability Control (VSC) helps control any oversteer or understeer you may have during cornering. While Traction Control (TRC) automatically controls the throttle or applies the brakes to any wheel that’s detected slipping on slippery surfaces or where there’s variable grip.

For even more added safety, Emergency Brake Signal (EBS) alerts trailing vehicles if you’re forced to make a sudden stop.

Additional safety technology Toyota Safety Sense (TSS) also comes standard on the ZR and is available as an option on SX and Ascent.
At Toyota, we constantly strive to create a safer driving environment for everyone. That’s why we developed Toyota Safety Sense (TSS), a multi-feature active safety package designed to support safe driving and help protect you and your passengers. TSS incorporates Lane Departure Alert, Pre-Collision Safety system with pedestrian detection and Automatic High Beam. With automated pre-collision warning and braking at its core, TSS aims to recognise specific hazards and help avoid certain collisions, providing greater reassurance to the driver and extra protection for passengers across a varying range of driving speeds and conditions.

**Pre-Collision Safety system with pedestrian detection**

Pre-Collision Safety system with pedestrian detection is developed to help reduce the likelihood of a frontal collision with cars and pedestrians. It includes a visible and audible alert of possible collisions, additional braking force to assist when you’re braking, and if a collision is judged to be unavoidable, automatic braking to help mitigate the impact.

**Lane Departure Alert**

Lane Departure Alert is designed to help prevent vehicles drifting from their lane, by monitoring road markings, and providing a visible and audible alert should it detect any deviation from the lane.

**Automatic High Beam**

Using a camera to sense either approaching headlights or the tail lights ahead, Automatic High Beam is designed to help you maintain safe and considerate driving by switching between high and low beam as needed.
Ascent

- 1.3L VVT-i engine
- 5-speed manual or 4-speed automatic transmission
- 15" steel wheels
- Steering wheel controls for telephone and audio
- 60/40 split fold rear seats
- Manual air conditioning
- Two-tier boot deck board

- Dual level glove box
- 6.1" colour touchscreen with Bluetooth®
- AUX input for portable audio players
- USB input for portable audio players and mobile phones
- 6 speakers
- Multi Information Display (MID)
- Cruise control

- Reversing camera
- 7 SRS airbags
- Emergency Brake Signal
- Optional Toyota Safety Sense, including Lane Departure Alert (LDA), Automatic High Beam (AHB) and Pre-Collision Safety system (PCS) with pedestrian detection
Ascent

- 15" steel wheels
- 60/40 split fold rear seats
- Bluetooth® compatibility
- Steering wheel controls
- Audio display with reversing camera
- Audio display with reversing camera

SX shown accessorised with Toyota Genuine headlamp covers, bonnet protector, front weathershields, front corner parking sensors and 15" alloy wheels (machined black). All accessories are sold separately.
You can personalise your Yaris with Toyota Genuine Accessories (each sold separately).

Whether it’s to enhance looks or functionality, they’re all developed to strict standards and backed by our Toyota Warranty.
Discover the freedom of Toyota Access

Toyota Access puts you in complete control when buying a new car, with lower monthly repayments. Drive out of the Dealership with a clear road ahead then drive back a few years later with more options at your disposal than ever before. Whatever stage you’re at in life, Toyota Access puts you in the driver’s seat with flexibility and assurance. To discover Toyota Access for yourself visit toyota.com.au/access

Capped price servicing

A new Toyota means you don’t have to worry about unexpected service costs. Every Toyota comes with a low, capped price service cost for a set number of years/kilometres. Pay the same low capped price from one eligible logbook service to the next for up to three years or 60,000km, whichever occurs first (including Genuine parts, labour and fluids). For the full benefits consult a Toyota Dealer or visit toyota.com.au/advantage

Finance to get you going

If you need a little help, Toyota Finance can offer you a wide range of vehicle financing options. With Toyota Finance, you’ll have the peace of mind of dealing with one of Australia’s leading vehicle finance corporations with over 30 years experience. And with a range of flexible products and services to suit almost every need and circumstance, Toyota Finance can help find the right package for you or your business.

Insurance options

Our Comprehensive Motor Vehicle insurance policy is packed with great benefits including; agreed value cover, new vehicle replacement if your Toyota is written off within the first three years, use of Toyota Genuine Parts, and a Lifetime Repair Guarantee on repairs authorised by Toyota Insurance. And our Factory Approved Extended Warranty Insurance also provides benefits, for more information visit toyota.com.au/insurance

We’ve got your back

Every new Toyota is built to exceptional standards, backed by a three year/100,000km warranty, giving you the peace of mind to feel confident for years to come. In the unlikely event that you need them, every Toyota Service Centre is committed to providing any warranty repairs you may need. They have the technology, the tools, and the skilled personnel to keep your Toyota in excellent condition.

Extend your peace of mind

Whether it’s a flat tyre, lost keys or a flat battery, Toyota Extra Care Roadside Assist is never more than a phone call away. Available 24 hours a day, seven days a week, our technicians are there to help you get back on the road.

The Toyota Advantage

Every Toyota gives you a lifetime of advantages. That’s what makes it a Toyota. You’ll enjoy legendary Toyota value from the moment you drive away, and you’ll continue to appreciate the quality, safety and innovation that’s engineered into each model, every day you drive.

Disclaimers and Notice

1 Lane Departure Alert (LDA), Automatic High Beam (AHB) and Pre-Collision Safety system (PCS) including Forward Collision Warning (FCW), Brake Assist (BA), reversing camera and Autonomous Emergency Braking (AEB) are driver assist features only, designed to operate when certain technical conditions are met, and not a substitute for safe driving practices. Driver remains responsible at all times for safe driving.

2 The Bluetooth® word mark is owned by Bluetooth SIG, Inc. Not all devices will be compatible and functionality varies depending on the device.

3 Toyota Link is available on certain vehicle models and grades only. Toyota Link services rely on data from the device's compatible mobile phone and information provided by third parties. Availability is dependent on a number of factors, including the availability of third party information, mobile service, sufficient mobile data allowance and GPS satellite signal reception. Mobile usage is at the user's cost. Toyota Australia reserves the right to add, remove or modify applications. Fuel Finder uses information provided by third party data sources which may not be accurate, cover all areas, fuel types or fuel providers. Compatibility with smartphones will vary according to model and operating system. Further information (including smartphone compatibility) is provided at toyota.com.au/toyotalink.

4 Not all devices will be compatible. Functionality varies depending on device.

5 Current navigation mapping database encompasses major capital and primary national road networks and offers some coverage in regional areas. SUNA™ GPS Traffic Updates are only available in metropolitan Adelaide, Brisbane, Canberra, Gold Coast, Melbourne, Perth and Sydney; it operates from information provided by Intelematics Australia and may not cover all road incidents and congestion. Please see sunatraffic.com.au for details.

6 Toyota Safety Sense is a driver assist safety package only, designed to operate when certain technical conditions are met, and its features are not a substitute for safe driving practices. Driver remains responsible at all times for safe driving.

7 Pre-Collision Safety system with pedestrian detection is a driver assist feature only and not a substitute for safe driving practices. Driver remains responsible at all times for safe driving. Pedestrians may not be detected in certain conditions including low and harsh light, where partially obstructed from view, where clothing or movement obscures or affects body contours, persons under 1 metre or over 2 metres tall and where carrying or pushing large objects.

8 Paint featured is an optional extra available at additional cost.

9 Parking sensors are a driver assist feature only and not a substitute for safe driving practices. Driver remains responsible at all times for safe driving.

10 Toyota Genuine Accessories are not applicable to all models/grades. Ensure the mass of your load does not exceed the maximum allowable individual axle capacity, Gross Vehicle Mass and/or Gross Combined Mass of the vehicle. Refer to the current Accessories brochure or visit toyota.com.au for details on warranty and toyota.com.au/vehiclepayload for details on vehicle payload, to help determine Accessories suitable for your vehicle. Accessory colours shown may vary from actual colour due to the printing process.

11 All Toyota Genuine Accessories purchased and fitted to a Toyota are warranted from the date of purchase for one year. The Toyota Genuine Accessories Warranty will not apply to the extent that any claim, damage or non-performance is caused by the fitment of any part or accessory that is not Toyota Genuine. Conditions apply. The Toyota Genuine Accessories Warranty does not limit and may not necessarily exceed your rights under the Competition and Consumer Act 2010.

12 IMPORTANT NOTICE – PLEASE READ:
  Toyota Australia uses its best endeavours to ensure material is correct when published. Check with your authorised Toyota Dealer when ordering to ensure the vehicle with your chosen specifications, equipment and colour is available and can be delivered within the timeframe suitable to you. When ordering accessories, check with your authorised Toyota Dealer to ensure the accessory’s design, features and colours are available and fit your vehicle. Ensure the mass of your load does not exceed the maximum allowable individual axle capacity, Gross Vehicle Mass and/or Gross Combined Mass of the vehicle. Refer to toyota.com.au/toyotalink for further advice. Actual colours may vary from actual colours due to printing/display processes. Certain accessories when fitted will require the removal of standard equipment, which may be retained by Toyota Australia or your Toyota Dealer. Toyota Australia reserves the right to change, without notice, prices, colours, materials, equipment, specifications and discontinue colours/models.
