

The new Caddy

The new Caddy

For whatever comes next

Image shown for illustrative purposes only and varies from standard specification. Caddy shown is a SWB Life variant (not available in Australia) with optional 18 Inch Alloy Wheels "Monterosso" Glossy Black, Silver Roof Rails, LED Main Headlamps with LED Separate Daytime Running Light and LED Rear Combination Lamps.

The new Caddy.

Now completely revamped, with stellar improvements across the range.

Modern design.

Striking new front end with honeycomb structure, dynamic, clear lines, and an array of improvements to achieve better efficiency.

Two new equipment lines.

Keeping the essentials in mind: the new Caddy and supreme comfort: the new Life.

Perfect for everyday use.

Flexible vehicle interior with new seating layout, with removeable double bench and single seat in second row, removable single seats in the third row and plenty of storage options.

Ultra-digital and closely integrated.

High-resolution Digital Cockpit¹, new infotainment systems with touchscreens up to 25.4 cm (10 inches) with shortcuts for main functions, plus App-Connect~ as standard.

Premium driving comfort.

Comfortable seats with electric 4-way lumbar support for driver and front passenger, plus a very spacious interior.

Proven quality.

Durable materials, high-quality workmanship and reliable engines.

State-of-the-art driver assistance systems*.

The latest generation of driver assistance systems, including Adaptive Cruise Control¹ 2.0, Travel Assist¹ with Emergency Assist¹ and lane change system Side Assist with Rear Traffic Alert.

Improved Efficiency.

The new Caddy is available with the latest TDI engine featuring twin-dosing technology coupled along with a 7-speed DSG gearbox, providing an excellent and efficient driving experience.

* Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.

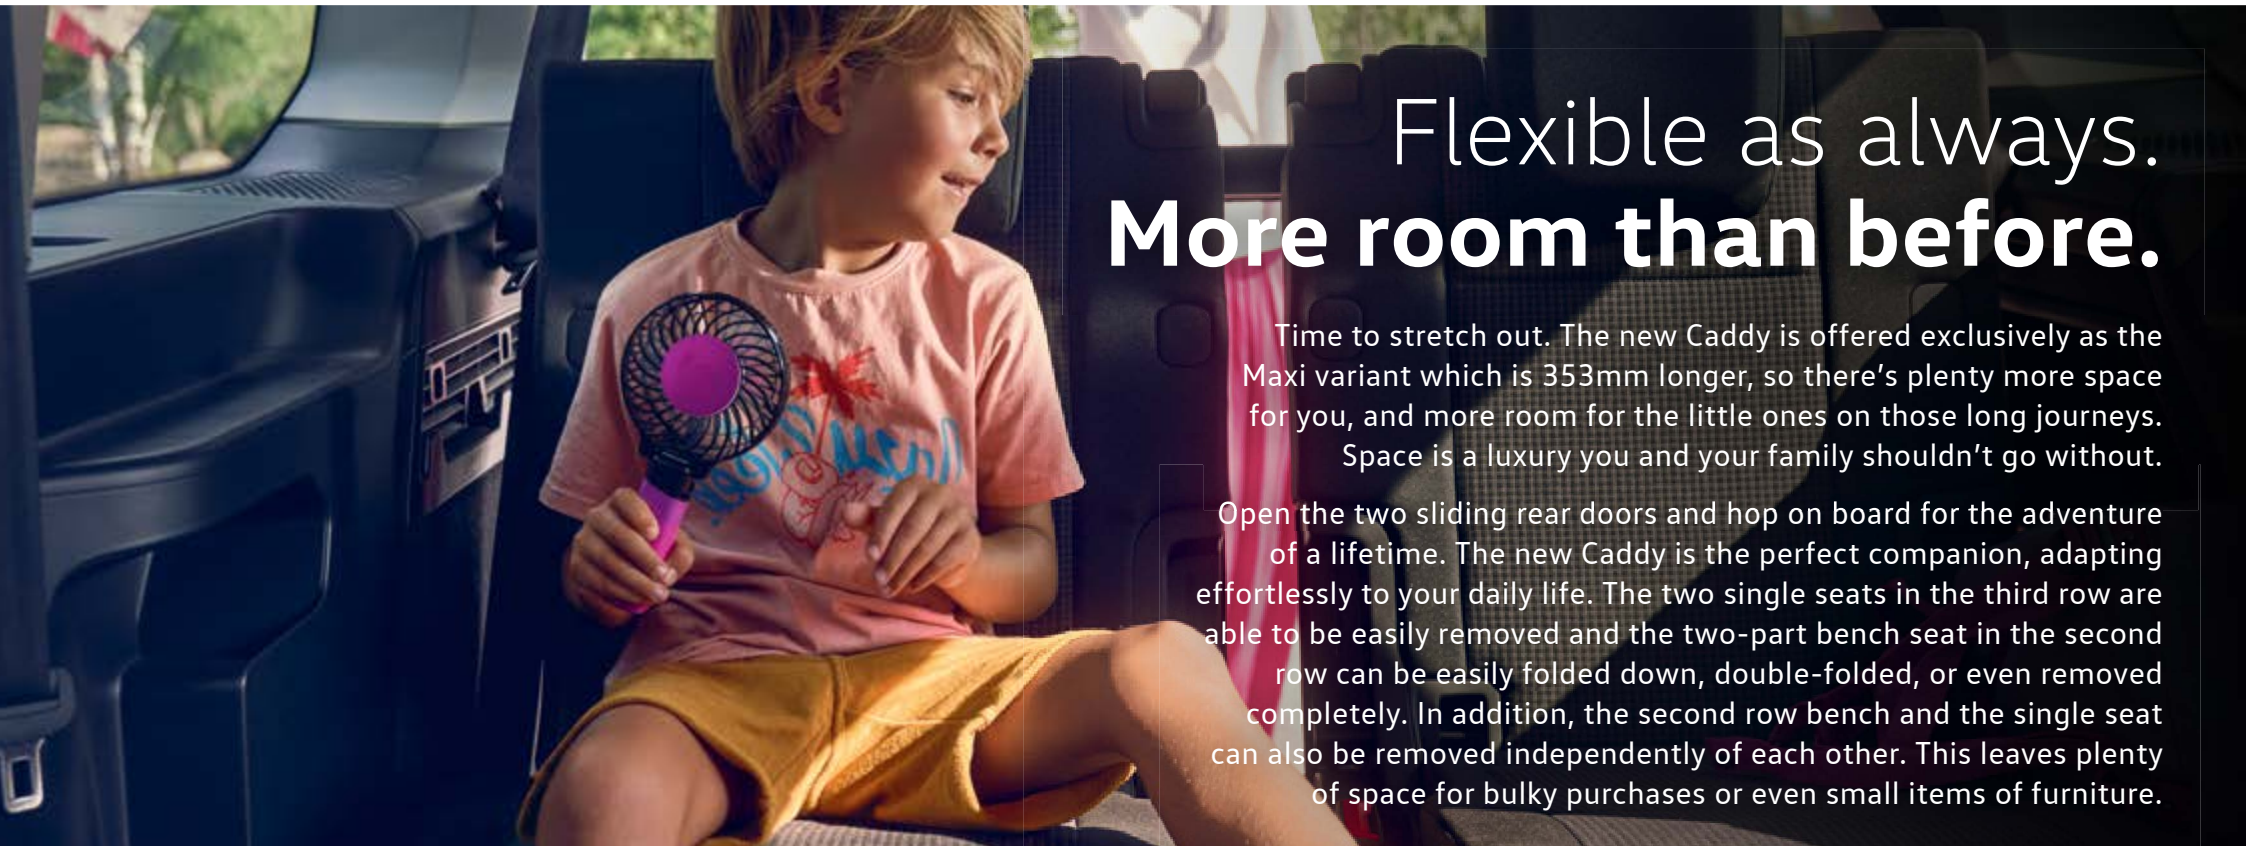

~ App-Connect is compatible for selected apps with the latest smartphone versions of iOS and Android, active data service, connection cable (sold separately).

1. Optional accessory, at extra cost for Caddy variant. Standard equipment for Caddy Life.

Fun, for everyone.

The new Caddy is more versatile than ever before, making it perfect for sport & leisure, work, holidays, city shopping trips & weekend excursions. Meaning the end result is a vehicle which is ideal for everyday use, no matter the task or occasion.

Flexible as always. **More room than before.**

Time to stretch out. The new Caddy is offered exclusively as the Maxi variant which is 353mm longer, so there's plenty more space for you, and more room for the little ones on those long journeys.

Space is a luxury you and your family shouldn't go without.

Open the two sliding rear doors and hop on board for the adventure of a lifetime. The new Caddy is the perfect companion, adapting effortlessly to your daily life. The two single seats in the third row are able to be easily removed and the two-part bench seat in the second row can be easily folded down, double-folded, or even removed completely. In addition, the second row bench and the single seat can also be removed independently of each other. This leaves plenty of space for bulky purchases or even small items of furniture.

Everything in view. **Easy functionality.**

Experience digital progress first-hand in the new Caddy. The touch-sensitive displays recognise the same gestures as a smartphone, you can control navigation, multimedia functions and even control the air conditioning all on a single screen.

Enjoy a wealth of extras by supplementing the optional 25.4 cm (10 in) infotainment display of the Discover Media navigation system with a Digital Cockpit. The high resolution 26.0 cm (10.25 in) digital cockpit screen (standard on the Life) is perfect for displaying your current driving data or your smartphone media library. Use the buttons on the multifunction steering wheel to scroll conveniently through the playlist, select the next call via contact portraits, or activate individual driver assistance systems.

01 Direct access button module. The module is arranged centrally around the hazard warning lights button and uses shortcuts for easy access to major functions such as driver assistance systems, air conditioning functions and parking assistance systems. | C | L |

02 Composition Audio radio system. This system offers a 20.9 cm (8.25-inch) colour touch display, 6 loudspeakers, two USB-C ports in the centre console, Bluetooth® interface. It also includes App-connect~ as standard. | C | L |

03 Discover Media navigation system. In addition to the Composition Audio system, this option offers a 25.4 cm (10-inch) colour touch display, 2D /3D navigation, plus a wide range of map options and also includes wireless App-connect~ as part of the package. | C | L |

~App-Connect is compatible for selected apps with the latest smartphone versions of iOS and Android, active data service, connection cable (sold separately). Wireless App-Connect is available with the optional Discover Media navigation system.

Standard Optional extra | C | Caddy | L | Life

The new Caddy - Technology **07**

Standard equipment Caddy.

Variant
Maxi Wheelbase
2.0L TDI320 90kW engine
7-speed dual clutch gearbox DSG
Front-wheel drive
Design
17-inch steel wheels with full wheel covers
Bumpers and door handles in colour-coded design, exterior mirror housing with black paintwork
Electrically adjustable, power folding and heated exterior mirrors
Sliding door, left and right side
H7 Halogen headlights
Fixed windows in passenger compartment
Tailgate with window aperture
Chrome-coloured Caddy badge on rear tailgate
Infotainment and connectivity
Composition radio system with 20.96-cm (8.25-inch) colour touch screen with App-Connect~
2 x USB-C ports
DAB+ Digital radio reception
Central locking with radio remote control

Cockpit
Front, side, curtain & centre airbags for driver and front passenger
Seat trim in Double Grid fabric
Front seats with height adjustment, 4-way power-adjustable lumbar support, seat cushion tilt and depth adjustment
Three-point seat belts with belt tensioners for the driver & front passenger and lap belt tensioner for the driver
Dash panel with multiple stowage compartments and illuminated glove box
Roof gallery with storage tray
Matte infotainment system trim
Carpet floor covering in cab
Centre console with height-adjustable centre armrest, stowage compartment and two drink holders
Multi-function display Plus
Dual-clutch transmission DSG selector lever with shift-by-wire technology
Leather wrapped multifunction steering wheel
Driver and front passenger electric windows
12 V socket in the front of the centre console
Sun visors with mirrors

Passenger compartment
Seven Seats (7)
Curtain airbag for outer seats in rear
Seat trim in Double Grid fabric
Carpet floor covering
3-seater bench seat in the second seating row, split at a ratio of 2/3 to 1/3, can be folded, double-folded and removed separately
2 seats in third row, each individually removable
Child seat anchors (ISOFIX) (except centre seat in 2nd row) and top tether on all seats
LED reading light in passenger compartment
Electric child proof lock for sliding doors, lockable from the front cabin
Luggage compartment
Lifting tailgate with rear heated window and wiper
Luggage compartment cover
LED tailgate surround lighting

Passenger compartment
Manual air conditioning system with electronic control incl. dust and pollen filter
Driver assistance and safety systems
Driver Fatigue Detection*
Electronic parking brake with auto hold function
Electronic stability programme (ESP) with Brake Assist system, ABS, traction control system (ASR), electronic differential lock (EDL) and Hill Start Assist*
Multi collision braking system (MCB)
Electromechanical steering
Cruise control incl. speed limiter
Automatic headlight control with separate daytime running light
Windshield wiper intermittent control with light sensor
Seat-occupied recognition system for all seats
Emergency braking front assist with pedestrian and cyclist monitoring
Lane change system including blind spot monitoring (Side Assist) with rear traffic alert*
Lane Assist lane keeping system*
Park distance control in rear*
Rear View Camera*

* Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.
 ~App-Connect is compatible for selected apps with the latest smartphone versions of iOS and Android, active data service, connection cable (sold separately).

Standard equipment Life.

Variant	Cockpit	Passenger compartment	Driver assistance and safety systems
Maxi Wheelbase	Front, side, curtain & centre airbags for driver and front passenger	Seven Seats (7)	Driver Fatigue Detection*
2.0L TDI320 90kW engine	Seat trim in Trialog fabric	Curtain airbag for outer seats in rear	Electronic parking brake with auto hold function
7-speed dual clutch gearbox DSG	Front seats with height adjustment, 4-way power-adjustable lumbar support, seat cushion tilt and depth adjustment	Seat trim in Trialog fabric	Electronic stability programme (ESP) with Brake Assist system, ABS, traction control system (ASR), electronic differential lock (EDL) and Hill Start Assist*
Front-wheel drive	Three-point automatic seat belts with belt tensioners for the driver & front passenger and lap belt tensioner for the driver	Carpet floor covering	Multi collision braking system (MCB)
Design	Dash panel with multiple stowage compartments and illuminated glove box	3-seater bench seat in the second seating row, split at a ratio of 2/3 to 1/3, can be folded, double-folded and removed separately.	Electromechanical steering
17-inch Barahona alloy wheels in brilliant silver	Roof gallery with storage tray	2 seats in third row, each individually removable	Automatic headlight control with separate daytime running light and entry and exit lighting
Radiator grille with double chrome	Vents, trim and door handles with chrome bezels	Child seat anchors (ISOFIX) (except centre seat in 2nd row) and top tether on all seats	Windshield wiper intermittent control with light and rain sensor
Bumpers and door handles in colour-coded design, exterior mirror housing with black paintwork	Carpet floor covering in cab	LED reading light in passenger compartment	Seat-occupied recognition system for all seats
Electrically adjustable, power folding and heated exterior mirrors	Centre console with height-adjustable centre armrest, stowage compartment and two drink holders	Additional 12v Socket	Emergency braking front assist with pedestrian and cyclist monitoring
Sliding door, left and right side	Multi-colour digital cockpit	Electric child proof lock for sliding doors, lockable from the front cabin	Lane change system including blind spot monitoring (Side Assist) with rear traffic alert*
H7 Halogen headlights	Dual-clutch transmission DSG selector lever with shift-by-wire technology	Additional sound acoustics for front and rear cabin	Lane Assist lane keeping system*
Fixed windows in passenger compartment	Leather wrapped multifunction steering wheel	Luggage compartment	Park Distance Control in front and rear*
Tailgate with window aperture	Driver and front passenger electric windows	Power latching lifting tailgate with rear heated window and wiper	Rear View Camera*
Chrome-coloured Caddy badge on rear tailgate	12 V socket in the front of the centre console	Luggage compartment cover	Park Assist*
Black roof rails	Sun visors with mirrors	LED tailgate surround lighting	Adaptive cruise control (with follow to stop for dual clutch transmission DSG) incl. speed limiter
Infotainment and connectivity	Auto dimming breakaway interior rear view mirror	Air conditioning and sun protection	Comfort drive Travel Assist*
Composition radio system with 20.96-cm (8.25-inch) colour touch screen with App-Connect~	2 roof grab handles in cabin	Climatronic two-zone air conditioning system incl. AirCare	Emergency Assist*
2 x USB C ports	Fixed heat-insulating front side windows	74% light-absorbing glass in rear side windows and rear window	
Digital radio reception		Sun visors with ticket pockets and mirrors	
Central locking system with keyless start (KESSI)		Heat-insulating windows	

* Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.

~ App-Connect is compatible for selected apps with the latest smartphone versions of iOS and Android, active data service, connection cable (sold separately).

Equipment Features.

01

01 Dual-clutch gearbox (DSG). The new Caddy is fitted with an adaptive 7-speed dual-clutch gearbox. This enables fully automatic, smooth gear changes without interruption of tractive power, and it also adapts to the driver's driving style. You can also shift up and down using rocker switches on the steering wheel. | C | L |

02

02 Leather multifunction steering wheel. Pleasant to the touch and extremely user friendly. You can use the buttons to control features including the radio, navigation system, mobile phone, cruise control system and change gears via extra paddles for responsive gear changes. | C | L |

03

03 Comfort ventilation in the passenger compartment. The blower integrated in the roof draws in warm or cool fresh air above the instrument panel and distributes it through five vents into the passenger compartment, where it reaches the third row of seats. | C | L |

Climatronic two-zone air conditioning system incl. AirCare.

The fully automatic air conditioning system with allergen filter has several sensors and keeps the set temperature constant for the driver and front passenger. | C | L |

04

04 Folding tables in the passenger compartment. Folding tables are built into the front seat backrests. They provide a practical surface and an integrated drink holder for passengers in the second row of seats. | C | L |

05

05 Panoramic sunroof | C | L |

06

06 Electrically adjustable, power folding and heated exterior mirrors | C | L |

07

07 Roof storage gallery | C | L |

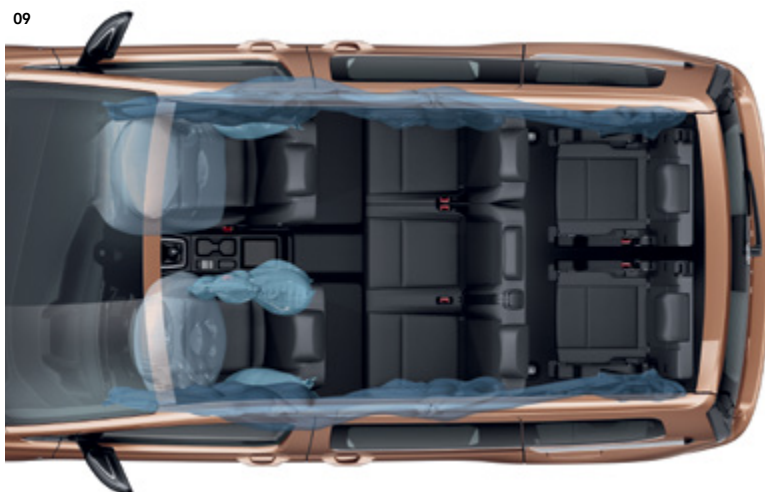

Equipment Features.

08

08 ergoComfort seat (AGR). The comfort seat, which has been certified as back-friendly by Aktion Gesunder Rücken (AGR) e.V.3), features a comprehensive range of settings designed to support the spine. In addition to adjustment of the seat length, seat height, seat depth, seat tilt, backrest and head restraint, the ergoComfort seat features electric 4-way lumbar support. | C | L |

09

09 Front, side, curtain and centre airbags. The new Caddy is equipped with one front airbag for the driver and one for the passenger. Centre airbags prevent a collision between the driver and front passenger. And curtain airbags offer all passengers sitting on the outer seats protection in the event of a side-on collision. | C | L |

10

10 H7 halogen headlights | C | L |

11

11 LED headlights with daytime running lights | C | L |

12

12 Rear LED combination Lamps | C | L |

13

13 Electric power closing. Electric power closing is available for the sliding doors and the boot lid. This function gently and quietly pulls the semi-closed doors the last few millimetres into the lock until they are engaged securely. | C | L |

14

14 Heat-insulating windows. Significantly reduces the heat in the vehicle interior. Privacy glass dark windows in the passenger compartment provide a high degree of privacy. | C | L |

15

15 Coat hook. The passenger compartment features two practical coat hooks for hanging up your clothing. | C | L |

Keyless locking and starting system "Keyless Advanced". Rummaging around for your car key is a thing of the past. The automatic locking and starting system means the vehicle key can remain in your pocket when you want to open the doors and start the vehicle. | C | L |

The driving force.

Efficient turbo-diesel engine.

Whether on the highway, in the city, suburban roads or country, the new Caddy can be ideally adapted to your driving profile. With TDI engines of the next evolutionary stages, you will have no problem getting you and your family from A to B.

2.0L TDI320 (90kW, 320Nm)

Front-wheel Drive

7-speed dual clutch gearbox DSG

Combined Fuel Consumption From 4.9L/100km**

New more efficient engine. Give fuel more power. The TDI combustion engines of the new Caddy are the most efficient and economical TDI engines that have ever been installed in a Caddy.

Dual-clutch gearbox (DSG). No time for idling. The new Caddy is equipped with a 7-speed dual-clutch gearbox for fully automatic gear changes without any interruption in tractive force.

Arrive Safely.

The modern driver assistance systems.

So that every journey ends just as relaxed as it started, the new Caddy comes with a host of driver assist systems that are capable of making preventive interventions in critical situations.

Image shown for illustrative purposes only and varies from standard specification. Caddy shown is a SWB Life variant (not available in Australia) with optional 18 Inch Alloy Wheels "Monterosso" Glossy Black, Silver Roof Rails, LED Main Headlamps with LED Separate Daytime Running Light and LED Rear Combination Lamps.

Driver Fatigue Detection*. Uses visual and audible warning signals to recommend that the driver takes a break as soon as it registers driving behaviour that indicates fatigue. | C | L |

Seatbelt warning. Visual warning when the engine is started and an audible warning is emitted, if the driver's and/or passenger seatbelts are not fastened. | C | L |

Airbags. Driver & passenger front, side and curtain airbags provide the best possible protection in the event of head-on or side impacts. In addition 2 side curtain airbags for the second row of seats. | C | L |

Cruise Control with speed limiter. At 30km/h and above, the system maintains the set speed throughout uphill and downhill inclines when activated. | C |

Anti-Lock Braking System (ABS). Prevents the wheels from locking and thereby maintains manoeuvrability. | C | L |

Electronic Stabilisation Program (ESP). Standard feature that prevents under- and over-steering through targeted braking of the individual wheels. | C | L |

Electronic Differential Lock (EDL). Distributes the engine torque to the tyres without slippage. | C | L |

Traction Control Systems (TCS). Prevents wheels from spinning excessively. | C | L |

Lane Keep Assist*. Countersteers if a lane is left unintentionally while alerting the driver at the same time by using a warning tone and information in the multifunction display. | C | L |

Tyre pressure monitoring system. Displays the current pressure for every tyre and warns of deviations from the set pressure. | C | L |

Hill Hold Assist. This prevents the vehicle from rolling back on inclines, making it easier to start off on uphill slopes. | C | L |

Front Assist with City Emergency Braking*. Detects pedestrians, cyclists and vehicles in the direction of travel and alerts the driver to hazardous situations. If the driver doesn't react in time, the system responds with automatic emergency braking, and can even perform an evasive manoeuvre in critical driving situations. | C | L |

Adaptive Cruise Control (ACC)*. 2.0 with "Stop and Go" function. Helps to maintain the correct distance from the vehicle in front and drives off again after a short standstill time in traffic jams or urban traffic. | C | L |

Multi-Collision Braking. Triggers braking after a collision, with the aim of preventing secondary crashes, activated when two independent sensors detect an accident. After a short delay, the vehicle begins a phased braking action down to 10 km/h, during which the driver can take over at any time. | C | L |

Electromechanical Power Steering. The speed-dependent steering with active reset improves your driving feeling and safety and achieves steering precision. | C | L |

Blind Spot Monitoring with Rear Traffic Alert*. The Blind Spot Monitor with Rear Traffic Alert system supports the driver in assessing and avoiding dangerous situations, especially in critical situations, e.g. city and heavy traffic. The Blind Spot Monitor detects cars and motorcycles in the driver's blind spot and highlights these vehicles via a LED indicator in the door mirror. Rear Traffic Alert warns the driver of approaching traffic at the rear of the car when reversing via an audible warning followed by a visual message in the Optical Parking System (OPS). | C | L |

Rear View Camera (RVC)*.

Simplifies parking by showing a limited view of the area behind the vehicle on the display of the radio. Additional guidelines help the driver manoeuvre into the space. | C | L |

Rear Park Distance Control (PDC)*. Emits audible warnings when obstacles are detected of or behind the vehicle when parking, and also provides a visual display of the vehicle's distance from these obstacles. | C | L |

Park Assist*. Park Assist aids positioning into parking spaces. When reverse is engaged, the vehicle assumes control of the steering. All that's required of the driver is to operate the pedals, whilst keeping a good lookout. | C | L |

Rear Cross Traffic Alert. Monitors the road at right angles to the parking space when reversing out of a parking bay, detects approaching objects and prevents imminent collisions by an automatic braking intervention. | C | L |

Travel Assist with Emergency Assist. Combines the functions of ACC 2.0, Lane Assist, and Emergency Assist for relaxed long-distance driving. | C | L |

Lane keeping system Lane Assist with counter steering assistance. Detects the vehicle lane by means of a multifunction camera and corrects unintentional departure from the lane as from 60 km/h by corrective counter steering. | C | L |

Emergency Assist. Reduces the risks if the driver's ability to control the vehicle is impaired. The system initially reacts to inactivity with an acoustic warning and waking jolts and subsequently initiates safe braking of the vehicle. | C | L |

Lane change system Side Assist. Warns about vehicles approaching from behind or that are already in the blind spot by means of an LED light in the respective exterior mirror. | C | L |

Rear View*. Brakes automatically when driving into and out of parking spaces if the Park Distance Control sensors or the rear radar detect an obstacle. | C | L |

Standard Optional extra | C | Caddy | L | Life

*Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.

Find your accessories

Volkswagen Genuine Accessories ensures your Volkswagen remains 100% Volkswagen. The extensive range of Caddy Genuine Accessories provides you with the opportunity to adapt your Caddy even more precisely to your individual needs. From exterior and interior to transport solutions that perfectly complement your Volkswagen.

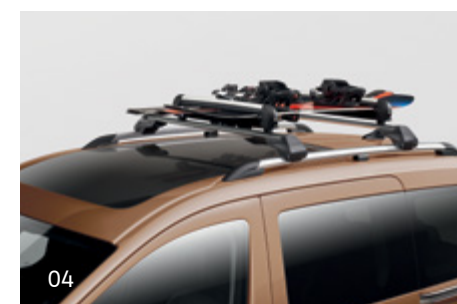

01 Roof racks (load limit 70kg). The genuine roof racks provide the base for all roof attachments and are aerodynamically designed to suit the Caddy.

02 Roof box. The genuine roof racks provide the base for all roof attachments and are aerodynamically designed to suit the Caddy.

03 Surfboard carrier. Easily secure the surfboard to the carrier and genuine roof racks.

04 Ski and snowboard carrier. The genuine roof racks provide the base for all roof attachments and are aerodynamically designed to suit the Caddy.

Overseas models are shown for illustrative purposes only. Optional accessories at extra cost. Please note that the above accessories may have an effect on fuel efficiency. Items such as sports equipment and tablets are shown for illustration purposes only and are not available for purchase from Volkswagen Group Australia or its Dealers. For a full range of Volkswagen Genuine Accessories, please refer to the accessories tab at www.volkswagen.com.au or visit an authorised Volkswagen Dealer.

05 Bike carrier. Lightweight bicycle rack, designed to be attached to the genuine roof racks.

06 Tablet holder. The Volkswagen innovative Travel & Comfort system has a basic module that is simply fixed between the front seat headrest mountings and can be used with various tablet holder attachments which brings comfort and convenience to any journey. Please contact your local Volkswagen dealer for compatible device.

07 Coat hanger. Meet your business needs. The Volkswagen coat hanger provides crease-free transport of your clothing with a removable function as well.

08 Bag hook. The Volkswagen folding table with built-in cup holder is especially useful on long journeys and offers the rear passengers a practical surface with height and angle adjustment.

Overseas models are shown for illustrative purposes only. Optional accessories at extra cost. Please note that the above accessories may have an effect on fuel efficiency. Items such as sports equipment and tablets are shown for illustration purposes only and are not available for purchase from Volkswagen Group Australia or its Dealers. For a full range of Volkswagen Genuine Accessories, please refer to the accessories tab at www.volkswagen.com.au or visit an authorised Volkswagen Dealer.

05

06

07

08

09 Luggage compartment liner. The robust and durable boot liner with Caddy lettering easily keeps your luggage compartment clean.

10 Luggage compartment tray. With one high-quality velour side and one non-slip side. Helps keep the original luggage compartment area clean.

11 Luggage reversible floor covering. Easily secure the surfboard to the carrier and genuine roof racks.

12 Luggage net. Create order in the luggage compartment of your Caddy. Ensure that small and medium-sized objects stay where they are meant to with the Volkswagen Genuine luggage net, preventing loose objects from flying around in the luggage compartment.

13 Loading sill in stainless steel effect. The loading sill protection in stainless steel finish provides instant, stylish protection for an even more premium look to your vehicle.

14 Loading sill in black grained look. The loading sill protection in black grain look provides instant, stylish protection for an even more premium look to your vehicle.

Overseas models are shown for illustrative purposes only. Optional accessories at extra cost. Please note that the above accessories may have an effect on fuel efficiency. Items such as sports equipment and tablets are shown for illustration purposes only and are not available for purchase from Volkswagen Group Australia or its Dealers. For a full range of Volkswagen Genuine Accessories, please refer to the accessories tab at www.volkswagen.com.au or visit an authorised Volkswagen Dealer.

15 Universal traffic recorder. For added protection the Caddy can be fitted with the Volkswagen Universal Traffic Recorder, a front and rear view camera that allows you to record any incidents onto a removable SD card. You have total control over all camera settings via the UTR Volkswagen App*, which also includes a car finder feature. And the best thing is, the device requires no battery or recharging.

16 Slimline weathershields. Enjoy the circulating fresh air, even when it is raining or snowing, or avoid the unpleasant build-up of heat on hot days by opening the windows slightly.

17 Door sill protection film. A detail which is both sensible and functional to protect the heavily used door sills in the front and rear entrance areas against scratches and damage.

18 Sunblind set. The sunblind set can be used as optimal sun protection, as well as for thermal insulation – without impairing traffic safety. It can be used when the windows are closed as well as when they are open.

19 Mudflaps. Protect the underbody and sides of the vehicle from stone chipping and dirt.

20 All-weather rubber floor mats. Keeping the footwell clean all year round. The perfectly fitting and durable floor mat set with Caddy lettering on the front mats are attached to the vehicle floor using the integrated fastening system to prevent slipping.

Overseas models are shown for illustrative purposes only. Optional accessories at extra cost. Please note that the above accessories may have an effect on fuel efficiency. Items such as sports equipment and tablets are shown for illustration purposes only and are not available for purchase from Volkswagen Group Australia or its Dealers. Brakes	
Front	16-inch ventilated disc brakes
Rear	16-inch disc brakes

- Standard equipment

Full vehicle specifications are available at www.volkswagen.com.au

^The Start/Stop system is designed to reduce fuel consumption and CO2 emissions. It achieves this by automatically switching off the engine while the vehicle is stationary and then starting it again automatically when the driver wants to drive off. There are certain operating conditions where the Start/Stop system is deactivated (e.g. during engine warm-up), please refer to the owner's manual for full operating information.

**Fuel consumption figures according to ADR 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

Weights and Capacities

Weights	Caddy TDI320 DSG	Life TDI320 DSG
Gross Vehicle Weight (GVM), kg	2,450	2,450
Unladen Mass, kg	1,727	1,737
Payload, kg	723	713
Front / Rear axle load limit, kg	1,130 / 1,240	1,160 / 1,240
Roof Load, kg	100	100
Towing Capacity, kg#		
Braked	1,500	1,500
Unbraked	740	750
Towbar Load Limit, kg	75	75

Full vehicle specifications are available at www.volkswagen.com.au

1. The Unladen Mass (UM) includes 10L of fuel, vehicle fluids and no occupants. Figures quoted are for base model vehicles only.

2. Payload figures determined by subtracting 'Unladen Weight' from total 'Gross Vehicle Mass' (GVM). A vehicle's final payload, given the different configurations, can only be determined by weighing the individual vehicle and comparing to the known GVM. Figures quoted are for base model vehicles only.

#When fitted with Volkswagen Genuine Tow Bar. Towing capacities are applicable to Volkswagen Genuine Accessory Tow Bar. Towing capacity figures are maximum figures and actual towing capacity depends on factors including the laden mass of the vehicle, driving conditions and fitment of any accessories. Volkswagen Group Australia does not endorse or will not be held liable for any claim, loss or damage arising from the use or fitment of electronic trailer brakes.

Load/luggage capacity in the Caddy Maxi

1) Please note that these are approximate values and dimensions may vary due to manufacturing tolerances. 2) In accordance with VDA/SAE measuring method. 3) Maximum load compartment height. Loading height without floor covering 1,259 mm. 4) With partition. 5) With roof aerial. 7) The maximum trailer weight varies depending on the engine. 8) Measured at the floor height of the vehicle. Illustrations include option at extra charge.

Peace of Mind

5 years Unlimited Kilometre Warranty

At Volkswagen, we pride ourselves on the highest quality standards that come with German engineering.

We back this commitment with a 5 year unlimited kilometre warranty on all new Volkswagen vehicles*.

1 year Roadside Assist

Every new Volkswagen comes with a 1 year Roadside Assist membership^.

That's 24 hour roadside assistance, emergency accommodation, car rental and towing as well as property and other assistance, all included for added peace of mind.

Volkswagen Care Plans

Volkswagen Care Plans† have you covered for your first 3 or 5 scheduled services, providing you savings off the total Assured Service Pricing RRP. It's convenient, hassle-free scheduled servicing easily available for purchase at your local Volkswagen Dealer.

Assured Service Pricing

Assured Service Pricing# gives you the transparency of knowing how much your service will cost up front.

Our Volkswagen Dealers have access to the latest diagnostic equipment and tools. Plus, they use Volkswagen Genuine Parts® to ensure your Volkswagen stays a Volkswagen.

You're in safe hands at your Volkswagen Dealer when it comes to servicing.

*Conditions and exclusions apply, see <https://www.volkswagen.com.au/en/owners-service/warranty.html>. Your rights under this warranty are provided in addition to, and in some cases overlap with, consumer guarantees under the Australian Consumer Law and do not limit or replace them.

^Volkswagen Roadside Assist is provided by AWP Australia Pty Ltd ABN 52 097 227 177 trading as Allianz Global Assistance, under an arrangement with Volkswagen Group Australia Pty Limited ABN 14 093 117 876. Conditions and exclusions apply, see <https://www.volkswagen.com.au/en/owners-service/roadside-assist.html>.

†Volkswagen Care Plans are available for purchase at <https://www.volkswagen.com.au/en/owners-service/care-plans.html> or from participating authorised Volkswagen Dealers for Eligible Vehicles and covers standard items as contained in each scheduled service interval only. The service intervals occur every 15,000 KM/12 months (whichever occurs first) for all models except MY18 to current Crafter vehicles and MY21 onwards Amarok vehicles, which are scheduled to occur every 20,000 km/12 months (whichever occurs first). These Care Plans can only be purchased prior to the first scheduled service and up to 22,500 km/15 months (whichever occurs first) for all models except MY18 to current Crafter vehicles and MY21 onwards Amarok vehicles which is 30,000 km/15 months (whichever occurs first). The timeframe takes effect from when the vehicle is first reported in our system as 'sold'. Discount structure varies by model. For details of what is not included in a scheduled service, please refer to the program terms and conditions.

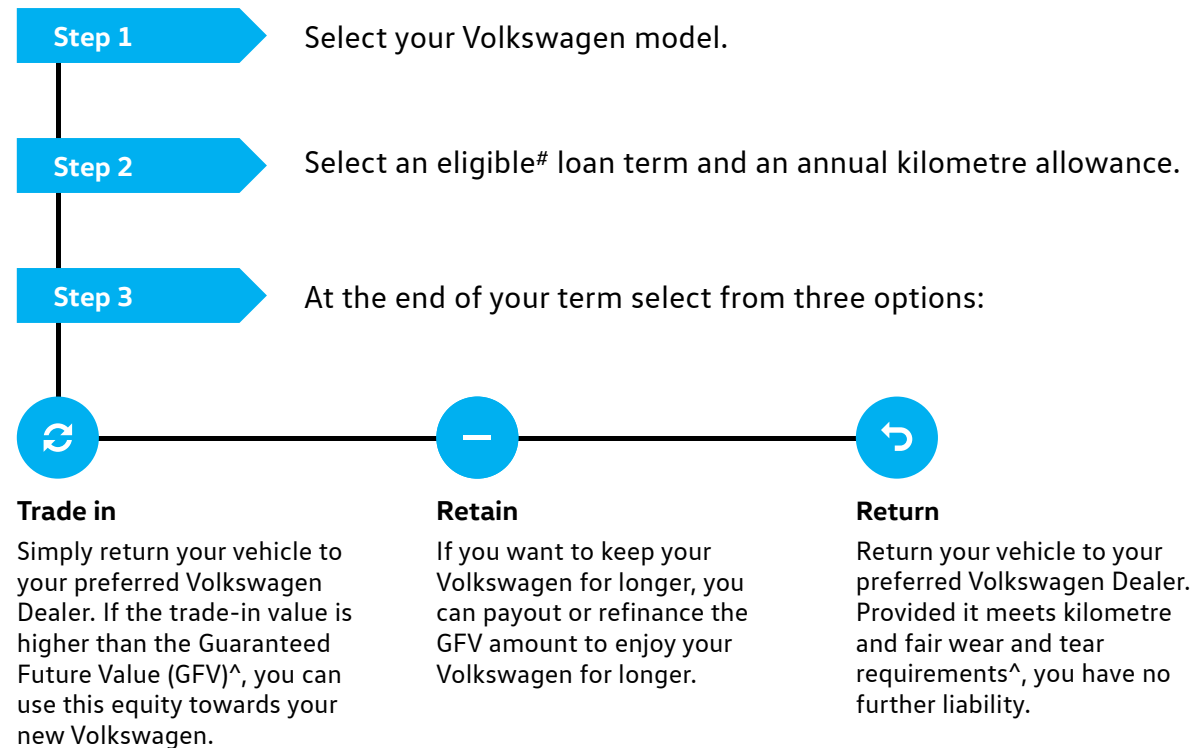

#Assured Service Pricing applies to the first 5 standard scheduled services of your vehicle which are scheduled to occur at every 15,000 km/12 month interval (whichever occurs first) or for MY18 to current Crafter vehicles and MY21 onwards Amarok vehicles only, 20,000 km/12 month interval (whichever occurs first). On or before 31 December each year, Volkswagen will publish the maximum price for a specified Schedule Service that will be applicable from, and remain fixed for, the following calendar year only. For details on the Eligible Model List, pricing, items not included and for full terms and conditions, please see <https://www.volkswagen.com.au/app/locals/service-pricing-guide>.

Volkswagen Choice[^]

Guarantee the minimum future value of your Volkswagen

Naturally we understand that your Volkswagen represents a valuable investment, so we understand that you want to maintain it in premium condition. Volkswagen Choice[^] is a finance program tailored to the requirements of Volkswagen owners by providing assurance around your Volkswagen's future value[^], whilst offering simple monthly instalment financing options.

Whether you are selecting your new Volkswagen for business or personal use, you can choose the contract term that best suits your requirements. Enjoy the confidence that comes from having locked in a minimum value up front to be attributed to your vehicle at the end of your contract[^]. There are also no account keeping fees with a fixed interest rate.

[^]Volkswagen Guaranteed Future Value consists of an option to return your vehicle to Volkswagen Financial Services (VFS) ABN 20 097 071 460, Australian Credit Licence 389344, at the end of the term and requires VFS to purchase the vehicle at an agreed price determined by VFS, known as the Guaranteed Future Value (GFV). [#]Eligible loan terms include 12-60 months, vary by model and are subject to change, ask dealer for more information. At the end of the term, you can elect to: (1) trade-in; (2) return; or (3) retain the vehicle by paying the GFV, which is a lump sum owed to VFS at the end of the loan term after all repayments have been made. You will be liable for any loan contract deficit and additional charges if you exceed the nominated kilometre allowance and/or the vehicle is not in an acceptable condition. Available on new and demonstrator Volkswagen vehicles for selected models. Contact your Official Volkswagen Dealer to verify eligible vehicles for this program. Fleet, government, rental buyers, hire car and chauffeur companies excluded.
